Please contact your Sales Consultant for current estimated lead times. Mason usually requires 12 weeks AFTER signed approval drawings to produce and ship your equipment, but these lead times are sometimes shorter or longer.

Upon receipt of SIGNED approval drawings an email will be sent with an estimated time frame for delivery. Production will then commence. If the customer schedule slips by more than two weeks after production commences, Mason will continue its manufacturing schedule and store the equipment at a nominal charge, and

customer will pay the balance, due less 10%, with full payment due upon shipment. This point of this paragraph is important and warrants re-emphasizing: production does not start when an order is placed, it starts AFTER Mason has received SIGNED approval drawings.

Equipment is shipped via motor freight using 48' to 53' long semi-tractor trailers. Customers are responsible for unloading the equipment, unless other arrangements have been made. Additional charges will apply if lift gate service or inside delivery is needed, and these must be scheduled in advance.

Customers picking up their equipment are subject to handling fees.

This price includes all fittings and hardware for normal installation with the exception of PVC pipe and fittings for plumbing of equipment.

Material pricing will be held firm for 30 days.

Shipping cost is subject to change and should be confirmed when placing your order.

Please note that door knobs for luxury suites are NOT warrantied.
