

Public Works

Yard Waste Collection Program

Summary

- Create an added service to the residents
- Material Collection
- Placement
- Pick up Schedule
- Success
- Opportunities

Expect More

- Bryant is the 4th most popular place for people to relocate to in the State of Arkansas
- This amenity is offered and as such it is expected from families relocating to Bryant from other locations e.g.:
 - Little Rock, Hot Springs, Little Rock, Springdale, Bentonville, Republic
- Control of our yard waste, preventing illegal dumping
- Once a year collection will turn into year round opportunity
- Residents deserve to not smell burning on the weekends or days off
- Improves storm water drainage
- Public Works has already obtained the General Permit.

Materials

- Acceptable
 - Trees (cut into 8' length)
 - Branches
 - Shrubs
 - Leaves
 - Must be in paper bags
 - Grass
 - Must be in paper bags
- Unacceptable
 - Lumber
 - Stained or treated wood
 - Dirt
 - Dirt must be removed from root ball
 - Rocks
 - Synthetic mulch

Where to Place

- 5' from all objects
- Not under wires, low hanging trees, street lights, mail boxes, hydrants
- Not on top of water meter box, riser, electric box, phone/cable box
- Curbside
 - Between sidewalk/trail and road
 - Close to sidewalk/trail if space does not allow
 - Not to hang into road or over sidewalk/trail
 - Helpful hint stack - all trees, branches, limbs in the same direction

Placement Examples
