City of Bryant Stormwater Management Permit Application & Stormwater Impact Fee

Permit Requirements

- **Permit Application.** A Stormwater Permit Application shall be submitted to the Administrative Authority using appropriate forms as provided. A permit application shall contain sufficient information, plat and/or plans to allow the Administrative Authority to determine whether the project complies with the requirements of the Stormwater Management Manual Ordinance No. 2019-31 & Stormwater Management Ordinance No. 2019-32.
- Application for a permit under this ordinance shall constitute permission by the applicant and landowner for the local approval authority to enter upon the property and inspect during the construction and post construction phases to confirm compliance with the requirements of the Stormwater Management Manual Ordinance No. 2019-31 & Stormwater Management Ordinance No. 2019-32.
- **Best Management Practices (BMP's).** By accepting the Stormwater Management Permit you assure that best management practices (BMP's) will be used in accordance with proper standards and requirements at all times.
- **Stormwater Impact Fee.** Stormwater Impact fees shall be paid before a Stormwater Management Permit shall be issued. Payment may be made by cash, check or credit card (American Express not accepted) to the Permits Clerk at the City of Bryant Code Enforcement at 312 Roya Lane, Bryant, Arkansas 72022.
- **Other Permits.** Proper City of Bryant permits and plan approvals, state permits from the Arkansas Department of Environmental Quality (ADEQ), Army Corp of Engineers Permits and Federal Permits are still required if applicable for project site. ADEQ Permits are defined as soil disturbing activities on the following scales:

<i>ADEQ Permit</i>	<i>Acreage</i>
Small Scale Development	1 acre but less than 5 acres
Large Scale Development	5 acres or greater

- **Transfer.** No transfer, assignment or sale of the rights granted by virtue of an approved Stormwater Management Permit or Stormwater Impact Fee shall be made.
- **Revocation.** A Stormwater Management Permit may be revoked at any time by the Administrative Authority if the project site is not in compliance with approved plans or the standards and requirements set forth in the Stormwater Management Manual No 2019-31 or the Stormwater Management Ordinance No. 2019-32
- **Information.** For additional information on the Stormwater Impact Fee, the City of Bryant Stormwater Management Manual Ordinance No. 2019-31 or Stormwater Management Ordinance No. 2019-32, please visit the City of Bryant website at <http://www.cityofbryant.com/895/Stormwater> or contact the City of Bryant Stormwater Department at (501) 943-0449.
