ORDINANCE NO. 2025-_____

AN ORDINANCE RESTRICTING RIGHT-OF-WAY CANVASSERS AND SOLICITORS TO CERTAIN BRYANT STREETS AND ROADWAYS, LOCATED WITHIN THE CITY OF BRYANT, BECAUSE CANVASSERS AND SOLICITORS POSE A DANGER TO THEMSELVES AND THE PUBLIC AT LARGE BY INTERVENING WITH THE SAFE AND NORMAL FLOW OF TRAFFIC; AND FOR OTHER PURPOSES

WHEREAS, the City Council of Bryant, Arkansas, desires to adopt an ordinance restricting right-of-way canvassers and solicitors to certain streets and roadways located in the City because such canvassers and solicitors pose a danger to themselves and the public at large by interfering with the safe and normal flow of vehicle traffic; and

WHEREAS, right-of-way canvassers and solicitors approach motorists and passengers while the motor vehicle is engaged in travel on roads and are particularly susceptible to serious bodily injury or death due to the speed and number of motorists who operate vehicles on roads of the City; and

WHEREAS, roads are primarily designed for vehicular traffic and are not suited to safely accommodate right-of-way canvassers and solicitors; and

WHEREAS, the presence of right-of-way canvassers and solicitors interferes with the safe movement and normal flow of traffic; and

WHEREAS, there are eleven (11) full-colored traffic lights within the City; and

WHEREAS, upon additional analysis, the City Council of the City of Bryant, Arkansas, has determined that canvassers and solicitors should be limited on additional street corners.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF BRYANT, ARKANSAS

SECTION 1: It is the finding of the City Council that other alternative and safer channels of communication exist other than right-of-way canvassing and solicitation for a person or people who seek to exercise their First Amendment freedoms, such as, but not limited to, mail solicitation for donations, or delivery of literature, distribution of literature or solicitation for donations at other locations (such as homes, places of worship, businesses, shopping areas, news and magazine racks, special events, and any other place not prohibited by law); the distribution or sale of newspapers or other literature through the use of home or business delivery, vending machines, and retail stores; and the sale of goods and services at retail stores, through the internet, and from vending machines.

SECTION 2: The City Council desires to protect and preserve the safety and quality of life of its residents and those who use the streets within the City, both pedestrians and motorists alike.

SECTION 3: The City Council has reviewed the proposed regulations provided by this section and finds that such regulations accomplish the intended purposes while utilizing the least restrictive means possible.

SECTION 4: It is the intention of the City Council that this subsection is applied equally to all right-of-way canvassers and solicitors, regardless of the right-of-way canvasser and solicitor's purpose and/or message.

SECTION 5: It is the intention of the City that nothing in this section shall prohibit a person from engaging in any other lawful activity or speech on the sidewalks in and around intersections, so long as that person or people are not right-of-way canvassers and/or solicitors and comply with all other state and local laws.

SECTION 6: The City finds that it is in the best interests of the residents of the city to adopt this subsection.

Prohibited roadways: It shall be unlawful for any person to act as a right-of-way canvasser and/or solicitor at or within two hundred (200) feet from the lateral curb or boundary line of any intersection located within the city limits of Bryant.

SECTION 7: Those violating these restrictions are guilty of disturbing the peace, and in accordance with Ark. Code§ 14-54-1408 may be cited and punishable by a fine up to \$100.

SECTION 8: Should any word, phrase, or section of this ordinance be held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity shall not affect the force and validity of the remaining portion of sections of this ordinance.

Council adopts the budget by category by department by fund so any budget adjustments that cross categories, depts or funds must be brought to Council.

Reason/Justification for the Adjustment: (Attach any supporting documents) - 5210 and 5604 budget lines started the year unbudgeted. It is likely these were reduced during the budget process to balance general fund but were insufficient to cover the 2025 costs. On the plus side grant revenues came in over anticipated/budgeted levels.

WHEREAS, the City has outstanding its Water and Sewer Revenue Bond, Series 2011 (the "2011 Bond"), authorized by Ordinance No. 2011-1, adopted January 13, 2011, as amended by Ordinance No. 2021-25, adopted November 16, 2021; and

WHEREAS, the City has outstanding its Water and Sewer Revenue Bond, Series 2012 (the "2012 Bond"), authorized by Ordinance No. 2012-14, adopted May 31, 2012, as amended by Ordinance No. 2021-26, adopted November 16, 2021; and

WHEREAS, the City has outstanding its Water and Sewer Revenue Bond, Series 2024B (the "2024B Bond"), authorized by Ordinance No. 2024-23, adopted October 29, 2024; and

WHEREAS, the coverage test for securing the bond with a lien on System revenues on a parity with the lien on System revenues in favor of the Parity Bonds has been or will be met; and

WHEREAS, the coverage test for securing the bond with a lien on System revenues senior to the lien on System revenues in favor of the 2011 Bond, the 2012 Bond, the 2024 Bond and the 2024B Bond (collectively, the "Subordinate Bonds") has been or will be met;

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Bryant, Arkansas:

Section 1. The Project shall be accomplished. The Mayor and City Clerk are hereby authorized to take, or cause to be taken, all action necessary to accomplish the same and to execute all required documents.

Section 2. The City Council hereby finds and declares that the period of usefulness of the System will be more than 10 years, which is longer than the term of the bond.

Section 3. The Offer of the Lender for the purchase of the bond from the City at the Purchase Price, for a bond bearing interest at the rate per annum, maturing and otherwise subject to the terms and provisions hereafter in this Ordinance set forth in detail is hereby accepted, and the bond is hereby sold to the Lender. The Mayor is hereby authorized and directed to execute and deliver the Offer on behalf of the City.

Section 4. Under the authority of the Constitution and laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 234, Subchapter 2, Title 14, Chapter 235, Subchapter 2, and Title 14, Chapter 164, Subchapter 4 of the Arkansas Code of 1987 Annotated and applicable decisions of the Supreme Court of the State, including particularly City of Harrison v. Braswell, 209 Ark. 1094, 194 S.W. 2d 12 (1946), a City of Bryant, Arkansas Water and Sewer Revenue Bond is hereby authorized and ordered issued in the principal amount of \$2,960,000 for the purpose of financing all or a portion of the costs of the Project and paying expenses of issuing the bond. The bond shall mature on December 1, 2030 and shall bear interest at the rate of 3.39% per annum, calculated on a 360-day year consisting of twelve 30-day months.

The bond shall be dated the date of issuance and delivery to the Lender and shall be issuable only as one fully registered typewritten bond without coupons and numbered R-1.

Interest on the bond shall be payable on June 1, 2026 and semiannually thereafter on June 1 and December 1 of each year. Payment of each installment of principal and interest shall be made to the person in whose name the bond is registered on the registration books of the City maintained by the City Clerk as bond registrar. Final payment of principal shall be made upon presentation and surrender of the bond at the office of the City Clerk.

The City shall cause books to be maintained for the registration and for the transfer of the bond as provided herein and in the bond. The City Clerk shall act as the bond registrar. The bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the City Clerk. Every transferee shall take the transferred bond subject to all payments of principal and interest (as reflected by the Payment

Record to be maintained by the City Clerk), prior to such surrender for transfer. When the principal of and interest on the bond have been fully paid, the bond shall be canceled by the City Clerk.

No charge shall be made to the registered owner of the bond for the privilege of transfer, but the registered owner of the bond requesting any such transfer shall pay any tax or other governmental charge required to be paid with respect thereto.

The person in whose name the bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of the bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

In any case where the date of interest on or principal of the bond or the date fixed for redemption of the bond shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Section 5. The bond shall be executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk and shall have impressed or imprinted thereon the seal of the City. The bond, together with interest thereon, is secured by and is payable solely from revenues derived from the System ("Revenues"), which are hereby pledged and mortgaged for the equal and ratable payment of the bond. In this regard, the pledge of Revenues in favor of the bond is (a) on a parity with the pledge in favor of the Parity Bonds and (b) senior to the pledge in favor of the Subordinate Bonds. The bond shall not constitute an indebtedness of the City within any constitutional or statutory limitation.

Section 6. The bond shall be in substantially the following form and the Mayor and City Clerk are hereby expressly authorized and directed to make all recitals contained therein:

This bond is issued for the purpose of financing all or a portion of the costs of acquiring certain vehicles and equipment for the City's water and sewer (combined) system (the "System") and paying necessary expenses incidental thereto and to the authorization and issuance of this bond. This bond is issued pursuant to and in full compliance with the Constitution and laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 234, Subchapter 2, Title 14, Chapter 164, Subchapter 4, and Title 14, Chapter 235, Subchapter 2 of the Arkansas Code of 1987 Annotated and applicable decisions of the Supreme Court of Arkansas, including particularly City of Harrison v. Braswell, 209 Ark. 1094, 194 S.W. 2d 12 (1946), and pursuant to Ordinance No. _____, duly adopted on October 28, 2025 (the

"Authorizing Ordinance"). This bond does not constitute an indebtedness of the City within any constitutional or statutory limitation. This bond is not a general obligation of the City, but is a special obligation payable solely from the revenues derived from the operation of the System. In this regard, the pledge of System revenues in favor of this bond is (a) on a parity with the pledge in favor of the City's Water and Sewer Refunding Revenue Bonds, Series 2017 and (b) senior to the pledge in favor of the City's Water and Sewer Revenue Bond, Series 2011, the City's Water and Sewer Revenue Bond, Series 2012, the City's Water and Sewer Revenue Bond, Series 2024 and the City's Water and Sewer Revenue Bond, Series 2024B. An amount of System revenues sufficient to pay the principal of and interest on the bond has been duly pledged and set aside into the 2025 Water and Sewer Revenue Bond Fund created by the Authorizing Ordinance. Reference is hereby made to the Authorizing Ordinance for a detailed statement of the terms and conditions upon which this bond is issued, of the nature and extent of the security for this bond, and the rights and obligations of the City and the Registered Owner. The City has fixed and has covenanted and agreed to maintain rates for the services of the System which shall be sufficient at all times to provide for the proper and reasonable expenses of operation and maintenance of the System and for the payment of the principal of and interest on this bond and on all outstanding bonds to which System revenues are pledged, as the same become due and payable, to establish and maintain any required debt service reserves and to make the required deposit for the depreciation of the System.

This bond shall be subject to optional and mandatory sinking fund redemption as follows:

1. This bond is subject to redemption at the option of the City, on and after December 1, 2028, in whole but not in part on any business day, at a price equal to the outstanding principal amount hereof, plus accrued interest to the redemption date.

2. This bond is subject to mandatory sinking fund redemption on December 1 in each of the years and in the amounts set forth below, at a redemption price equal to the outstanding principal amount hereof, plus accrued interest to the date of redemption:

<u>Year</u> <u>(December 1)</u>	<u>Principal</u> <u>Amount</u>
2026	\$555,000
2027	570,000
2028	590,000
2029	610,000
2030 (maturity)	635,000

Notice of optional redemption shall be given by the City Clerk, not less than 30 nor more than 60 days prior to the date fixed for redemption, by mailing a copy of the redemption notice by first class mail, postage prepaid, or by sending a copy of the redemption notice via other standard means, including electronic or facsimile communication, to the Registered Owner. If funds are duly provided and set aside in accordance with the Authorizing Ordinance prior to the date fixed for redemption, this bond will cease to bear interest on such redemption date.

This bond is transferable by the Registered Owner hereof in person or by his attorney in fact duly authorized in writing at the principal office of the City Clerk, but only in the manner, subject to the limitations and upon payment of the charges provided in the Authorizing Ordinance, and upon surrender of this bond. Every transferee shall take this bond subject to all payments and redemptions of principal and interest (as reflected by the Payment Record to be maintained by the City Clerk), prior to such surrender for transfer. This bond is issued with the intent that the laws of the State shall govern its construction.

The City may deem and treat the Registered Owner as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes, and the City shall not be affected by any notice to the contrary.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this bond do exist, have happened and have been performed in due time, form and manner as required by law; that the indebtedness represented by this bond, together with all obligations of the City, does not exceed any constitutional or statutory limitation; and that the revenues pledged to the payment of the principal of and premium, if any, and interest on this bond as the same become due and payable will be sufficient in amount for that purpose.

THE CITY HAS DESIGNATED THIS BOND AS A "QUALIFIED TAX-EXEMPT OBLIGATION" WITHIN THE MEANING OF SECTION 265 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

Section 7. (a) The rates charged for services of the System heretofore fixed by ordinances of the City and the conditions, rights and obligations pertaining thereto, as set out in those ordinances, are hereby ratified, confirmed and continued.

(b) The City covenants and agrees that the rates shall never be reduced while the bond is outstanding unless there is obtained from an independent certified public accountant not in the regular employ of the City ("Accountant") a certificate that the Net Revenues ("Net Revenues" being defined as gross Revenues less the expenses of operation and maintenance of the System, including all expense items properly attributable to the operation and maintenance of the System under generally accepted accounting principles applicable to municipal water and sewer facilities, excluding depreciation, interest and bond amortization expenses), with the reduced rates, will always be equal to at least 110% of the average annual principal and interest requirements on all outstanding bonds to which Revenues are pledged ("System Bonds").

(c) The City further covenants and agrees that the rates shall, if and when necessary, from time to time, be increased in such manner as will produce Net Revenues at least equal to 110% of the average annual principal and interest requirements on all System Bonds.

Section 8. The City covenants that it will continuously operate the System as a revenue-producing undertaking and will not sell or lease the same, or any substantial portion thereof; provided, however, that nothing herein shall be construed to prohibit the City from making such dispositions of properties of the System and such replacements and substitutions for

properties of the System as shall be necessary or incidental to the efficient operation of the System as a revenue-producing undertaking.

Section 9. The Treasurer of the City shall be statutory custodian of the Revenues. Each employee of the City handling Revenues shall give bond for the faithful discharge of his or her duties in such amounts as approved by the City Council. All Revenues shall at all times be accounted for separately and distinctly from other moneys of the City and shall be used and applied only as provided herein. Except as hereinafter provided, all Revenues shall be deposited in such depository or depositories for the City as may be lawfully designated from time to time by the City; subject, however, to the giving of security as now or hereafter may be required by law, and provided that such depository or depositories shall hold membership in the Federal Deposit Insurance Corporation ("FDIC") or any successor entity. All deposits shall be in the name of the City and shall be so designated as to indicate the particular fund to which the Revenues belong. Except as hereinafter provided, all payments from the respective funds shall be by check or voucher, signed by two persons designated by the City Council and drawn on the depository with which the moneys in the fund shall have been deposited and each such check or voucher shall briefly specify the purpose of the expenditure.

Section 10. All Revenues shall be deposited into a fund heretofore created and designated as the "Water and Sewer System Revenue Fund" (the "Revenue Fund"). Moneys in the Revenue Fund shall be applied to the payment of the reasonable and necessary expenses of operation and maintenance of the System, to the payment of the principal of and interest on the bond and other System Bonds, to the maintenance of any required debt service reserve funds, to the providing of the Depreciation Fund, and otherwise as described herein.

Section 11. There shall first be paid from the Revenue Fund into a fund heretofore created and designated "Water and Sewer System Operation and Maintenance Fund" (the "Operation and Maintenance Fund"), on or before the first business day of each month, an amount sufficient to pay the reasonable and necessary expenses of operation, repair and maintenance of the System for such month and from which disbursements shall be made only for those purposes. Fixed annual charges, such as insurance premiums and the cost of major repair and maintenance expenses may be computed and set up on an annual basis and one-twelfth (1/12) of the amount thereof may be paid into the Operation and Maintenance Fund each month.

If in any month for any reason there shall be a failure to transfer and pay the required amount into the Operation and Maintenance Fund, the amount of the deficiency shall be added to the amount otherwise required to be transferred and paid into the fund the next succeeding month. If in any fiscal year a surplus shall be accumulated in the Operation and Maintenance Fund over and above the amount necessary to meet the requirements thereof during the remainder of the then current fiscal year and the next ensuing fiscal year, such surplus may be transferred into the Revenue Fund.

Section 12. (a) After making the required payment into the Operation and Maintenance Fund, there shall be transferred from the Revenue Fund into a special fund hereby created and designated "2025 Water and Sewer Revenue Bond Fund" (the "Bond Fund"), the

sums in the amounts and at the times hereinafter stated in subsection (b) for the purpose of providing funds for the payment of the principal of and interest on the bond as it matures.

(b) There shall be paid into the Bond Fund on the first business day of each month until the bond with interest thereon has been paid in full or provision made for such payment, a sum equal to 1/6 of the next installment of interest on the bond plus 1/12 of the next installment of principal; provided, however, that monthly payments through November 2026 shall be adjusted as necessary in order to provide sufficient funds to pay principal of and interest on the bond through and including December 1, 2026. The City shall realize a credit against monthly deposits into the Bond Fund from interest earnings on moneys in the Bond Fund.

(c) If Revenues are insufficient to make the required payment on the first business day of the following month into the Bond Fund, the amount of any such deficiency in the payment made shall be added to the amount otherwise required to be paid into the Bond Fund on the first business day of the next month.

If a surplus shall exist in the Bond Fund over and above the amount required for making all principal and interest payments during the next succeeding twelve-month period, such surplus shall be deposited into the Revenue Fund.

(d) When the moneys held in the Bond Fund shall be and remain sufficient to pay the principal of and interest on the bond, the City shall not be obligated to make any further payments into the Bond Fund.

(e) It shall be the duty of the City to cause to be withdrawn from the Bond Fund at least one (1) business day before the due date for the principal and/or interest on the bond, at maturity or redemption prior to maturity and paid to the registered owner of the bond the amount of the bond and interest due thereon for the sole purpose of paying the same. No withdrawal of funds from the Bond Fund shall be made for any other purpose except as otherwise authorized in this Ordinance.

(f) The bond shall be specifically secured by a pledge of all Revenues. This pledge in favor of the bond is hereby irrevocably made according to the terms of this Ordinance, and the City and its officers and employees shall execute, perform and carry out the terms thereof in strict conformity with the provisions of this Ordinance.

(g) Simultaneously with making the deposit into the Bond Fund, there shall be transferred from the Revenue Fund into the bond fund for the Parity Bonds (the "Parity Bond Fund"), an amount equal to the required monthly deposit into such fund. The obligation to make the required monthly deposits into the Bond Fund and the Parity Bond Fund shall rank on a parity of security. If the City issues any additional parity bonds, the obligation to make payments into debt service funds for those bonds shall rank on a parity of security with the obligation to make payments into the Bond Fund and the Parity Bond Fund. In the event the Revenues remaining after the required monthly deposit into the Operation and Maintenance Fund are insufficient to make the full monthly deposits into the Bond Fund, the Parity Bond Fund and the

bond funds for the additional parity bonds, the amount deposited into each shall be reduced proportionately.

Section 13. After making the payments set forth above and after making the payments into the bond funds for the Subordinate Bonds, there shall be paid from the Revenue Fund into a fund heretofore created and designated "Water and Sewer System Depreciation Fund" (the "Depreciation Fund") on or before the first business day of each month, an amount equal to (a) 5% of the gross Revenues for the preceding month or (b) such other amount required by State law. The moneys in the Depreciation Fund shall be used for the purpose of paying the costs of repairs and replacements made necessary by the depreciation of the System and for the purpose of paying the cost of economically justifiable extensions to the System.

Section 14. Any surplus in the Revenue Fund after making all disbursements and providing for all funds described above may be used, at the option of the City, for any lawful municipal purpose.

Section 15. So long as the bond is outstanding, the City shall not issue or attempt to issue any bonds claimed to be entitled to a priority of lien on Revenues over the lien securing the bond. The City reserves the right to issue additional bonds to finance or pay the cost of constructing any future extensions, betterments or improvements to the System or to refund bonds issued for such purposes, but the City shall not authorize or issue any such additional bonds ranking on a parity with the bond unless there has been procured and filed with the City Clerk and the registered owner of the bond a statement by an Accountant reciting the opinion, based upon necessary investigation, that the Net Revenues (as defined in Section 7) for the fiscal year immediately preceding the fiscal year in which it is proposed to issue such additional bonds shall equal not less than 110% of the average annual principal and interest requirements on the then outstanding System Bonds and the additional bonds then proposed to be issued. In making the computation set forth above, the City, and the Accountant on behalf of the City, may, based upon the opinion or report of an independent consulting engineer or rate analyst not in the regular employ of the City, treat any increase in rates for the System enacted subsequent to the first day of such preceding fiscal year as having been in effect throughout such fiscal year and may include in gross Revenues for such fiscal year the amount that would have been received, based on such opinion or report, had the increase been in effect throughout such fiscal year.

The additional bonds, the issuance of which is restricted and conditioned by this Section, shall not be deemed to mean bonds the security and source of payment of which are subordinate and subject to the priority of the bond, and such additional bonds may be issued without complying with the terms and conditions of this Section.

Section 16. The bond shall be subject to redemption prior to maturity in accordance with the terms set out in the bond form in Section 6 hereof. The City covenants and agrees to cause to be paid into the Bond Fund sufficient funds to redeem the bond in the amounts and on the dates set forth in the bond. Therefore, in calculating the monthly payments to be deposited into the Bond Fund, the term "next installment of principal" shall include the principal of the bond maturing on the next principal payment date and the principal of the bond which will

be redeemed in accordance with the mandatory sinking fund redemption provisions of the bond on the next interest payment date scheduled for such redemption.

Section 17. (a) The City shall cause proper books of accounts and records to be kept (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to the operation of the System, and such books shall be available for inspection by the registered owner of the bond at reasonable times and under reasonable circumstances. The City agrees to have these records audited by an Accountant at least once each year. In the event that the City fails or refuses to make the audit, the registered owner of the bond may have the audit made, and the cost thereof shall be charged against the Operation and Maintenance Fund.

(b) A copy of the audited financial statements of the System shall be provided to the registered owner of the bond within 180 days after the end of each fiscal year; provided, however, that if the audited financial statements are unavailable on that date, the City will provide the registered owner with unaudited financial statements and will provide the audited financial statements to the registered owner within 30 days after receipt thereof. To the extent the City files such information on the Electronic Municipal Market Access system ("EMMA") maintained by the Municipal Securities Rulemaking Board, such requirement for delivery to the registered owner shall be deemed satisfied. The audited financial statements may be sent to the following email address (or such other address as the registered owner of the bond supplies to the City in writing): PublicFinance@WebsterBank.com.

Section 18. The City covenants that it will maintain the System in good condition and operate the same in an efficient manner and at reasonable cost. While the bond is outstanding, the City agrees that it will insure and at all times keep insured, in the amount of the actual value thereof, in a responsible insurance company or companies authorized and qualified under the laws of the State to assume the risk thereof, properties of the System, to the extent that such properties would be covered by insurance by private companies engaged in similar types of businesses against loss or damage thereto from fire and other perils included in extended coverage insurance in effect in the State. In the event of loss, the proceeds of such insurance shall be applied solely toward the reconstruction, replacement or repair of the System, and in such event the City will, with reasonable promptness, cause to be commenced and completed the reconstruction, replacement and repair work. If such proceeds are more than sufficient for such purposes, the balance remaining shall be deposited to the credit of the Revenue Fund, and if such proceeds shall be insufficient for such purposes the deficiency shall be supplied first from moneys in the Depreciation Fund and second from moneys in the Operation and Maintenance Fund and third from available moneys in the Revenue Fund. Nothing shall be construed as requiring the City to expend any moneys for operation and maintenance of the System or for premiums on its insurance which are derived from sources other than the operation of the System, but nothing shall be construed as preventing the City from doing so.

Section 19. The bond shall be deemed to be paid within the meaning of this Ordinance when payment of the principal of and interest on the bond (whether at maturity or upon redemption as provided herein, or otherwise), either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably

depositing with the registered owner of the bond, in trust and irrevocably set aside exclusively for such payment, (1) cash fully insured by the FDIC and/or fully collateralized with Government Obligations (as hereinafter defined) sufficient to make such payment and/or (2) direct or fully guaranteed obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America ("Government Obligations") (provided that such deposit will not affect the tax exempt status of the interest on the bond or cause the bond to be classified as an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code")), maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment.

Section 20. If there be any default in the payment of the principal of or interest on the bond, or if the City defaults in any Bond Fund requirement or in the performance of any of the other covenants contained in this Ordinance, the registered owner of the bond may, by proper suit, compel the performance of the duties of the officials of the City under the laws of the State. And in the case of a default in the payment of the principal of and interest on the bond, the registered owner of the bond may apply in a proper action to a court of competent jurisdiction for the appointment of a receiver to administer the System on behalf of the City and the registered owner of the bond with power to charge and collect (or by mandatory injunction or otherwise to cause to be charged and collected) rates sufficient to provide for the payment of the expenses of operation and maintenance and to pay the bond and interest outstanding and to apply the Revenues in conformity with the laws of the State and with this Ordinance. When all defaults in principal and interest payments have been cured, the custody and operation of the System shall revert to the City.

Except in the case of a default in the payment of the principal of or interest on the bond, the registered owner of the bond shall not have any right to institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any power or right unless such registered owner previously shall have given to the City written notice of the default on account of which such suit, action or proceeding is to be taken, and unless such default is not cured within thirty (30) days. The registered owner of the bond shall not have any right in any manner whatever by his or her action to affect, disturb or prejudice the security of this Ordinance, or to enforce any right thereunder except in the manner herein described. All proceedings at law or in equity shall be instituted, had and maintained in the manner herein described and for the benefit of the registered owner of the bond.

No remedy conferred upon or reserved to the registered owner of the bond is intended to be exclusive of any other remedy or remedies, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Ordinance or by law.

No delay or omission of the registered owner of the bond to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein; and every power and remedy given by this Ordinance to the registered owner of the bond may be exercised from time to time and as often as may be deemed expedient.

In any proceeding to enforce the provisions of this Ordinance any plaintiff bondholder shall be entitled to recover from the City all costs of such proceeding, including reasonable attorneys' fees.

Section 21. When the bond has been executed, it shall be delivered to the Lender upon payment of the Purchase Price. The Purchase Price shall be deposited into a special account in the name of the City hereby created in a bank selected by the City that is a member of the FDIC and designated "2025 Water and Sewer Revenue Bond Construction Fund" (the "Construction Fund"). The moneys in the Construction Fund shall be disbursed solely in payment of the costs of accomplishing the Project, paying necessary expenses incidental thereto, and paying expenses of issuing the bond. Disbursements shall be on the basis of checks which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. Each check must be signed by two persons designated by the City Council.

When all required expenses have been paid and expenditures made from the Construction Fund for and in connection with the accomplishment of the Project and the financing thereof, this fact shall, if there are moneys on hand in the Construction Fund, be evidenced by a certificate signed by the Mayor, which certificate shall state, among other things, that all obligations payable from the Construction Fund have been discharged. A copy of the certificate shall be filed with the depository of the Construction Fund, and upon receipt thereof, such depository shall transfer any remaining balance to the City for deposit into the Bond Fund to be used to redeem the bond.

Section 22. (a) The City covenants that it shall not take any action or suffer or permit any action to be taken or conditions to exist which causes or may cause the interest payable on the bond to be included in gross income for federal income tax purposes. Without limiting the generality of the foregoing, the City covenants that the proceeds of the sale of the bond and the Revenues will not be used directly or indirectly in such manner as to cause the bond to be treated as an "arbitrage bond" within the meaning of Section 148 of the Code.

(b) The City shall assure that (i) not in excess of 10% of the Net Proceeds of the bond is used for Private Business Use if, in addition, the payment of more than 10% of the principal or 10% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly secured by any interest in property used or to be used for a Private Business Use or in payments in respect of property used or to be used for a Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed moneys used or to be used for a Private Business Use; and (ii) that, in the event that both (A) in excess of 5% of the Net Proceeds of the bond are used for a Private Business Use, and (B) an amount in excess of 5% of the principal or 5% of the interest due on the bond during the term thereof is, under the terms of the bond or any underlying arrangement, directly or indirectly, secured by any interest in property used or to be used for said Private Business Use or in payments in respect of property used or to be used for said Private Business Use or is to be derived from payments, whether or not to the City, in respect of property or borrowed money used or to be used for said Private Business Use, then said excess over said

5% of Net Proceeds of the bond used for a Private Business Use shall be used for a Private Business Use related to the governmental use of the System.

The City shall assure that not in excess of 5% of the Net Proceeds of the bond are used, directly or indirectly, to make or finance a loan to persons other than state or local governmental units.

As used in this subsection (b), the following terms shall have the following meanings:

"Net Proceeds" means the face amount of the bond.

"Private Business Use" means use directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and use as a member of the general public.

(c) The bond is hereby designated as a "qualified tax-exempt obligation" within the meaning of the Code. The City represents that the aggregate principal amount of its qualified tax-exempt obligations (excluding "private activity bonds" within the meaning of Section 141 of the Code which are not "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code), including those of its subordinate entities, issued in calendar year 2025 are not reasonably expected to exceed \$10,000,000.

(d) The City covenants that it will take no action which would cause the bond to be "federally guaranteed" within the meaning of Section 149(b) of the Code. Nothing in this Section shall prohibit investments in bonds issued by the United States Treasury.

(e) The City covenants that it will submit to the Secretary of the Treasury of the United States, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the bond is issued, a statement required by Section 149(e) of the Code.

(f) The City covenants that it will retain all documents and records pertaining to the bond and the Project for the life of the bond plus an additional three (3) years.

(g) The City covenants that it will not reimburse itself from proceeds of the bond for any costs paid prior to the date the bond is issued except in compliance with United States Treasury Regulation §1.150-2 (the "Regulation"). Resolution No. 2025-04, adopted February 13, 2025, shall constitute an "official intent" for purposes of the Regulation.

(h) The City represents that it does not reasonably expect that it and all subordinate entities will issue tax-exempt obligations (not including "private activity bonds" within the meaning of Section 141 of the Code) in amounts exceeding \$5,000,000 in calendar

year 2025. The City covenants that at least 95% of the net proceeds of the bond will be used to accomplish local governmental activities of the City.

Section 23. (a) Moneys held for the credit of the Bond Fund shall be continuously invested and reinvested in Permitted Investments (as hereinafter defined), which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the payment date for interest or principal and interest.

(b) Moneys held for the credit of any other fund, including the Construction Fund, may be invested and reinvested in Permitted Investments (as hereinafter defined), or other investments as may, from time to time, be permitted by State law, which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when the moneys held for the credit of the particular fund will be required for purposes intended.

(c) Obligations so purchased as an investment of moneys in any fund shall be deemed at all times to be a part of such fund and the interest accruing thereon and any profit realized from such investments shall be credited to such fund, and any loss resulting from such investment shall be charged to such fund.

(d) Moneys so invested in Government Obligations or in certificates of deposit of banks to the extent insured by FDIC, need not be secured by the depository bank or banks.

(e) "Permitted Investments" are defined as (i) Government Obligations, (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, which are insured by FDIC or, if in excess of insurance coverage, collateralized by Government Obligations or other investments authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Obligations and the obligations described in (ii) above.

(f) All investments and deposits shall have a par value (or market value when less than par), exclusive of accrued interest at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(g) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Section 24. In the event the office of Mayor, City Clerk, City Treasurer, or City Council shall be abolished, or any two or more of such offices shall be merged or consolidated,

or in the event the duties of a particular office shall be transferred to another office or officer, or in the event of a vacancy in any such office by reason of death, resignation, removal from office or otherwise, or in the event any such officer shall become incapable of performing the duties of his office by reason of sickness, absence from the City or otherwise, all powers conferred and all obligations and duties imposed upon such office or officer shall be performed by the office or officer succeeding to the principal functions thereof, or by the office or officer upon whom such powers, obligations and duties shall be imposed by law.

Section 25. The Mayor is hereby authorized and directed to work with Friday, Eldredge & Clark, LLP, as bond counsel, to review and revise, as needed, its written procedures to monitor compliance with federal tax requirements with respect to tax-exempt obligations of the City.

Section 26. Stephens Inc. and Crews & Associates, Inc. are hereby retained as Placement Agents in connection with the issuance of the bond.

Section 27. In the event the City files with EMMA this Ordinance or any description of the material terms thereof or notice of any agreement to covenants, events of default, remedies, priority rights or other similar terms, or any other document or certificate signed or delivered by the registered owner of the bond, either voluntarily or as required pursuant to a continuing disclosure agreement or Rule 15c2-12 promulgated pursuant to the Securities and Exchange Act of 1934, as amended (the "Rule") (each such posting, an "EMMA Posting"), the City shall (i) provide the registered owner of the bond with a copy of each EMMA Posting prior to submitting or posting on EMMA and (ii) shall not file or permit the filing of any EMMA Posting that includes Confidential Information. The City acknowledges and agrees that the registered owner of the bond is not responsible for the City's or any other entity's (including, but not limited to, any broker-dealer's) compliance or noncompliance (or any claims, losses or liabilities arising therefrom) with any continuing disclosure agreement or any applicable securities or other laws, including, but not limited to, those relating to the Rule. "Confidential Information" means any sensitive or confidential information regarding the City or the registered owner of the bond, including, without limitation, address, account and wiring information, e-mail addresses, telephone numbers, facsimile numbers, logos, names and signatures of officers, employees or representatives of the City and the registered owner of the bond.

Section 28. The provisions of this Ordinance are hereby declared to be separable and if any provision shall for any reason be held illegal or invalid, such holding shall not affect the validity of the remainder of this Ordinance.

Section 29. All ordinances and resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

Section 30. It is hereby ascertained and declared that the Project is immediately needed for the preservation of the public peace, health and safety and to remove existing hazards thereto. The Project cannot be accomplished without the issuance of the bond, which cannot be sold at the interest rate specified herein unless this Ordinance is immediately effective. Therefore, it is declared that an emergency exists and this Ordinance being necessary

for the preservation of the public peace, health and safety shall be in force and take effect immediately upon and after its passage.

Department Policy dictates that the Animal Control Director regularly conduct reviews of the fees charges for all services of the department.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

Some costs on the department have increased, leading to increases in fees charged by the department. Two examples include: pet cremation, which has had at least two price increases since we last changed any of our fees in 2015, and postage costs has been increased ten times since then. After hours call outs have continued to increase in number, resulting in increased operating costs for the City. We considered what other communities in Central Arkansas are charging for comparable services, and our fees are, overall, are still less than some of our neighbors. Our goal is to keep costs reasonable and affordable for the community and know that any fees we charge will not cover our operating costs, we still want to provide at least some financial support of our fiscal budget.

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

The proposed rate study has been reviewed at WSAC regular & special meeting, planning commission, community engagement committee, and a meeting with business leaders. Ryan Bowman with Friday Firm along with staff have drafted/reviewed these ordinances.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

This ordinance reflects the rates that were proposed in our recently completed Water/Wastewater Rate Study. The water rates are scheduled to increase by 9% each year for the next 5 years. Act 605 requires a rate study to be completed by a third party every 5 years, and they require the implementation of full cost pricing meaning we must have rates that provide us with adequate revenue to continue operating the system at the current level of service as well as completing our Council adopted Water Capital Improvement Plan. Our last rate ordinance was passed in 2021 as Ordinance 2021-06.

(This section to be completed by the Mayor)

ACTION PROPOSED (Motion for Consideration)

Complete a first reading of proposed ordinance in September, allow for public hearing to be held during October's Council meeting, and adopt the ordinance as proposed in October to ensure adequate time for Natural Resources Division to review/approve and proper budgeting to occur before rates go into effect January 1, 2026.

Act 925 requires the implementation of full cost pricing meaning we must have rates that provide us with adequate revenue to continue operating the system at the current level of service as well as completing our Council adopted Wastewater Capital Improvement Plan. Artificial Intelligence Policy

City of Bryant

1. Purpose

This policy establishes guidelines for the authorized and prohibited use of artificial intelligence (AI) and automated decision tools by employees and contractors of the City of Bryant (hereinafter the City), in compliance with Act 848 of 2025, the same being Ark. Code Ann. § 25-1-128.

2. Definitions

- **Artificial Intelligence (AI):** A machine-based system that, based on human-defined objectives, can make predictions, recommendations, or decisions influencing real or virtual environments.
- **Automated Decision Tool:** A system or service that uses AI and has been specifically developed and marketed, or specifically modified, to make or to be a controlling factor in making consequential decisions.
- **Employee:** Any person employed by the City.

3. Authorized Use

- AI and automated decision tools may be used to enhance efficiency, accuracy, and service delivery in city operations.
- All consequential decisions involving AI tools must be reviewed and finalized by a human employee or authorized designee.
- AI tools must not be used to make autonomous decisions without human oversight.

- **Key Rules**

1. AI Is a Tool, Not a Finished Product

- AI can help with writing, research, and ideas.
- But people—not machines—must make all final decisions.

2. Human Responsibility

- **Human Review:** A person must always make the final decision, even when AI is used to assist.

- **You must check all AI-generated content for accuracy.**

- You can't use AI to replace your own judgment or creativity.

3. Using AI for Research

- You can use AI to help find sources or brainstorm.
- But final work must be based on real, verified sources, not just AI summaries.

4. AI-Generated Content

- You can use AI to edit or summarize your own writing—but you must review it.
- You can't send out AI-written documents without checking them first.

5. Grammar Tools Are OK

- Tools like spell check or grammar fixers are allowed.

6. Required Disclosures

- If AI writes something from scratch (like a memo or letter), you must say so.
 - Example: "This document was drafted in part using an AI tool and may contain errors. Please review for accuracy."
- If AI just helps edit or summarize your own writing, no disclosure is needed—but you still have to review it.

7. What You Can Do

- Use AI to help with research, writing drafts, or editing.
- Search engines like Google or Edge now show AI summaries at the top of a search—but you must always check the original sources and not rely on the summary.

8. What You Can't Do

You can't use AI to:

- Make final decisions for the city
- Write or send official documents without human review
- Issue citations, permits, or enforcement actions
- Make policy decisions or analyze data without checking it yourself
- Handle hiring, firing, or private personal information

- Create anything related to race, gender, or other protected traits

4. Prohibited Use

In accordance with Section (d) of Act 848 of 2025, AI and automated decision tools shall **not** be used by city employees to:

1. Express personal political opinions to elected officials unless within the scope of the employee's job duties or upon request by an elected official or public entity;
2. Engage in lobbying an elected official on a personal opinion if the employee is not a registered lobbyist for the city;
3. Engage in illegal activities or activities otherwise prohibited by federal or state law;
4. Intentionally override or avoid the security and system integrity procedures of the city.

5. Protecting Personal Information

Employees must **never input Personally Identifiable Information (PII)** into AI tools. This includes, but is not limited to:

- Full names of individuals
- Social Security numbers
- Driver's license or ID numbers
- Home addresses or phone numbers
- Email addresses
- Medical or financial records
- Employee or student ID numbers
- Photos of individuals without consent

6. Legal Rules

- Don't upload copyrighted material into AI tools.
- Follow all laws, including HIPAA, if applicable, and other privacy rules.

7. Training

- All employees are strongly encouraged to attend training on Act 848 and the proper use of AI prior to using AI on city business or equipment.
- Training shall be provided through the Arkansas Municipal League's ACE HUB's AI Training or other approved sources.

8. Disciplinary Action

- Violations of this policy may result in disciplinary action, up to and including termination, in accordance with the City's personnel policies and procedures.

9. Acknowledgment

I acknowledge that I have read and understood the Artificial Intelligence Policy. I agree to follow all rules, responsibilities, and guidelines outlined in the policy, including the appropriate and ethical use of artificial intelligence tools. I understand that violations of this policy and/or failure to comply with this policy may result in disciplinary action, up to and including termination.

AlliConnect is a software platform for first responder mental health that the Police Department has been utilizing for the past year in conjunction with our Officer Wellness Unit. The City Attorney has already reviewed and approved the contract wording.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

The PD would like Council approval for a five year contract with the vendor. Our first year was a reduced rate introductory price. We have signed an extension for the remainder of 2025. This contract would go into effect on 01-01-2026. This locks in our annual price for the next five years. This service allows our Officer Wellness team to conduct and monitor wellness check-in's on our employees. Analytics are also available to gauge departmental mental health responses. 24/7 on-call clinician support is included in the new contract. Annual training is also included. The increased price of the contract would be adjusted in our annual budgets for years 2026-2030 (001-0600-5604). Total contract price = \$53,900 (see attached payment schedule)

3. CONFIDENTIALITY; PROPRIETARY RIGHTS

3.1 Each party (the "**Receiving Party**") understands that the other party (the "**Disclosing Party**") has disclosed or may disclose business, technical or financial information relating to the Disclosing Party's business (hereinafter referred to as "**Proprietary Information**" of the Disclosing Party). Proprietary Information of Company includes non-public information regarding features, functionality and performance of the Service. Proprietary Information of Customer includes non-public data provided by Customer to Company to enable the provision of the Services ("**Customer Data**"). The Receiving Party agrees: (i) to take reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. The Disclosing Party agrees that the foregoing shall not apply with respect to any information after five (5) years following the disclosure thereof or any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party or (e) is required to be disclosed by law.

3.2 Customer shall own all right, title and interest in and to the Customer Data. Company shall own and retain all right, title and interest in and to (a) the Services and Software, all improvements, enhancements or modifications thereto, (b) any software, applications, inventions or other technology developed in connection with implementation services (if any) or support, and (c) all intellectual property rights related to any of the foregoing.

3.3 Notwithstanding anything to the contrary, Company shall have the right collect and analyze data and other information relating to the provision, use and performance of various aspects of the Services and related systems and technologies (including, without limitation, information

concerning Customer Data and data derived therefrom), and Company will be free (during and after the term hereof) to (i) use such information and data to improve and enhance the Services and for other development, diagnostic and corrective purposes in connection with the Services and other Company offerings, and (ii) disclose such data solely in aggregate or other de-identified form in connection with its business. 4. PAYMENT OF FEES

4.1 Customer will pay Company the then applicable fees described in the Quote and herein for the Services and implementation services (if any) in accordance with the terms therein (the "**Fees**"). Payment obligations will commence at the start of work. In addition to the annual price escalation set forth in Section 5.1 below, the Company reserves the right to change the Fees or applicable charges and to institute new charges and Fees at the end of the Initial Service Term or then-current renewal term, upon thirty (30) days prior notice to Customer (which may be sent by email). If Customer believes that Company has billed Customer incorrectly, Customer must contact Company no later than 60 days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Company's customer support department.

Customer shall be responsible for all taxes associated with Services other than U.S. taxes based on Company's net income.

5. TERM AND TERMINATION

5.1 Subject to earlier termination as provided below, this Agreement is for an initial term of five years (the "**Initial**

Service Term") and shall, except as expressly set forth in a Quote, be automatically renewed for additional periods of the same duration as the Initial Service Term (collectively, the "**Term**") and with a 7% increase in subscription cost per renewal term, unless either party requests termination at least thirty (30) days prior to the end of the then-current term.

5.2 In addition to any other remedies it may have, either party may also terminate this Agreement upon thirty (30) days' notice (or without notice in the case of nonpayment), if the other party materially breaches any of the terms or conditions of this Agreement. Company may terminate this Agreement upon thirty (30) days' notice if sufficient funds to pay the Fees hereunder are not appropriated by or on behalf of Customer or are otherwise not legally available to Customer. Customer will pay in full for the Services up to and including the last day on which the Services are provided. Upon any termination, Company will make all Customer Data available to Customer for electronic retrieval for a period of thirty (30) days, but thereafter Company may, but is not obligated to, delete stored Customer Data. All sections of this Agreement which by their nature should survive termination will survive termination, including, without limitation, accrued rights to payment, confidentiality obligations, warranty disclaimers, and limitations of liability.

5.3 During the Term, Company permits other similarly sized agencies within the same state to piggyback on this Agreement, as allowed by law. Company commits to offering these agencies access to a comparable mental health technology platform or service at the same terms and pricing specified in this contract, without necessitating further competitive bidding. Each participating agency must enter into its own contract with Company and is responsible for funding the service from its own financial resources.

6. WARRANTY AND DISCLAIMER

Company shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the implementation services (if any) in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Company or by third-party providers, or because of other causes beyond Company's reasonable control, but Company shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption. HOWEVER, COMPANY DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES AND IMPLEMENTATION SERVICES ARE PROVIDED "AS IS" AND COMPANY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF

MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

7. LIMITATION OF LIABILITY

NOTWITHSTANDING ANYTHING TO THE CONTRARY, EXCEPT FOR BODILY INJURY OF A PERSON, COMPANY AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL EQUIPMENT AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OR CORRUPTION OF DATA OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND COMPANY'S REASONABLE CONTROL; OR (D) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID BY CUSTOMER TO COMPANY FOR THE SERVICES UNDER THIS AGREEMENT IN THE 12 MONTHS PRIOR TO THE ACT THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

8. MISCELLANEOUS

If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. Neither party may assign this Agreement or any right or obligation hereunder, directly, indirectly, by operation of law or otherwise, without the prior written consent of the other party (which shall not be unreasonably withheld), except to the surviving entity in a merger or consolidation in which it participates or to a purchaser of more than fifty percent (50%) of its assets. Any other assignment by either party shall be void and of no force or effect. This Agreement shall be binding upon and inure to the benefit of the permitted successors and assigns of each party. This Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Customer does not have any authority of any kind to bind

Company in any respect whatsoever. In any action or proceeding to enforce rights under this Agreement, the prevailing party will be entitled to recover costs and attorneys' fees. Except in the event of a party hereto seeking an equitable remedy, before submitting a dispute to a court of law, the parties agree to first participate in a mandatory half-day non-binding mediation via videoconference (e.g., Zoom). All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested. This Agreement shall be governed by the laws of the State of Washington without regard to its conflict of laws provisions. The parties shall work together in good faith to issue at least one mutually agreed upon press release and Customer otherwise agrees to reasonably cooperate with Company to serve as a reference account upon request. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same the same instrument. Counterparts may be delivered via electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

AGENDA NO. 17**AGENDA DATE:** 10/28/2025

FUNDING CERTIFICATION (Finance Director) (Signature, if applicable)

MANAGEMENT STAFF REVIEW (Signature)

MAYOR (Signature)

ITEM HISTORY (Previous Council reviews, action related to this item, and other pertinent history)

DRC 3/20/25 - Approved Site Plan, recommended half-street improvement waiver and plat to PC. Planning Commission 3/24/25 - Approved Commercial Subdivision Plat and waiver on half-street improvement to not widen Dell Dr. DRC - 10/2/25 - No recommendation given on waiver request for requirement to build sidewalk. PC - 10/13/25 - No recommendation given.

ITEM COMMENTARY (Background discussion, key points, recommendations, etc.) Please identify any or all impacts this proposed action would have on the City budget, personnel resources, and/or residents.

Ordinance 2017-31 states that construction of sidewalks shall be required at the time of issuance of a building permit or CO. Any waiver from the requirements shall require approval of the City Council. Waivers shall only be considered in instances where strict application of the requirements of this Section would be exceedingly impractical due to circumstances unique to the property such that construction of the required improvements is technically or physically infeasible.

There are currently no sidewalks on Dell Dr from Reynolds Rd to the subject property. There is a large undeveloped lot immediately to the East of the property. In 2021, the Modern Storage Development on the south side of Dell Dr received site plan approval and installed sidewalks as well as half-street improvements during their construction.

Subject: Sidewalk Waiver – Dell Drive, Bryant, AR 72022 (Parcel: 840-12643-000)

Dear Colton,

Hope Consulting is formally requesting staff review and approve the removal of the proposed sidewalk that is on the South side of the property located on Dell Drive, Bryant, AR. We believe this sidewalk should be removed due to the sidewalk that is already in place on the opposite side of the street. We would like to be included at the October 13th Planning Commission Meeting.

Please feel free to contact me with any questions, concerns, or if I can be of any further assistance.

Sincerely,

Jonathan Hope
