15. Council Approval - Approval to Recruit and Hire for Human Resources Assistant

The HR Assistant position became vacant on November 9th when our employee decided to pursue a higher paying position with a different city. While other departments have naturally grown over the years, the HR department has not. We are a department of three when fully staffed and we service well over 250 employees and elected officials. With only three employees in the department, running just one employee short places a significant burden on every department throughout the City as HR services and response times will slow down.

The HR Assistant position is responsible for processing worker's compensation claims, applicant tracking, interview scheduling and pre-employment processing for all departments across the City. In addition to the HR responsibilities, the HR Assistant role is the receptionist for City Hall and performs credit card reconciliation for all City Hall credit cards. Without this position staffed, we also risk having resident calls and questions go unanswered in a timely fashion.

We are approaching the start of a new budget year which always places strain on the HR department as we implement all adopted budget changes, all insurance changes and process all year end tax forms. This is in addition to handling standard day-to-day HR functions.

The base pay range for this position is \$35,148-\$43,935. Realistically, this position would not be staffed until after the start of the year. I am asking for approval to post this position so that we can start reviewing applications and determining when we can schedule interviews for a potential hire in early 2024.

16. Council Approval - Approval to Recruit and Hire for Two Park Labor Positions

Parks is requesting approval to recruit and hire for two Park Labor positions. The Parks Labor crew consists of six full-time budgeted positions. Currently two of those positions are vacant leaving only four employees to complete all of the outdoor field services for all of our parks as we come into the sports/tournament season. In addition, given the current understaffing in HR, we anticipate a prolonged hiring process. These positions need to be replaced by the end of January 2024 to maintain the current park standards. Park Labor wages range from \$14.00-\$17.00/hour. The following is a description of the reduction in Parks Labor service levels in 2024 in the event we have to function without filling these two positions:

1) Bathroom cleaning and trash removal would revert back to a Mon/Wed/Fri pattern instead of the daily pattern we've worked to achieve.

Edging, clay work, supplemental dragging and any non-game related work on baseball and softball fields would be on an emergency basis only instead of a normal weekly field maintenance program. Would allow no extra time to drag fields for practices, tryouts, scrimmage games or just to keep the fields worked to prevent weeds from growing in them.

- 2) Building Maintenance foreman position would be forced to become a floating position alternating between helping with outside grounds maintenance in addition to duties inside the center and other buildings. Also would be forced to remain in the weekend tournament workers rotation due to lack of grounds employees.
- 3) Height of cut on the sports fields would need to be raised in order for the 2 man mowing crew to be able to keep up with the workload without cutting more than 1/3rd of the grass blade off during each cutting which could result in scalping. We have worked very hard to keep the height of cut on the sports fields low and clean but this requires weekly attention. We would also have to cut back water and fertilizer in order for a two man crew to be able to stay on top of the grass cutting which would in turn have a negative impact on the playing surfaces.
- 4) Grounds Maintenance foreman would be forced to spend most of each day on a mower instead of being a crew leader and planning daily tasks and staying on top of equipment maintenance, being project manager, etc.
- 5) Less workers means more hours on the current employees which could lead to excessive overtime hours after the maxing out of comp time for each member of the grounds crew. This could also result in burnout based on the 2024 tournament schedule that's already been established. We currently don't typically schedule an employee on back to back weekends unless absolutely necessary but this shortage would force back-to-back weekend scheduling. This could eventually lead to us scaling back on our sports tourism schedule.
- 6) Weedeating that's done by 1-2 members of the mow crew would be replaced with spraying a non selective herbicide around fences and edges which would be less aesthetically pleasing.
- 7) Cultural practices such as aerifying, nail dragging, topdressing, fertilizing, dethatching, rolling, etc. would not get done as often as they need to be.
- 8) With a short crew, if anyone were to miss due to illness, appointments, injuries, etc. it would reduce field services further.

City of Bryant Local History

The City of Bryant received its start as a very small township in central Arkansas as European settlers established themselves along Hurricane Creek in the early 19th century. Over the years the city saw times of economic struggle, but as the demand for the area's bauxite grew during the WWII era, development and a steady slow growth began. Since then, the economic landscape of the city has seen many changes, as Bryant evolved from a typical railroad community, into one focused on family, education and quality of life for its residents.

Once a small industrial town, Bryant is now the fastest growing city in Central Arkansas. With a public education system deemed as one of the best in the state, as well as its proximity to the state's capital city of Little Rock, Bryant has more than doubled in population size over the past two decades. A stable and diversified business community, as well as a high demand real-estate market, now makes Bryant a much sought-after community for families and entrepreneurs.

The backbone of Bryant being its competitive spirit, organized youth and adult sports have thrived here. Making quality of life for residents a focus of Bryant's growth plan over the years, the city and school have created joint partnerships to ensure the best use of citizen taxpayer money, with money being invested back into the community. This has allowed both entities to offer a multitude of sports and educational opportunities to local residents.

The creation of Bishop Park, which opened in 2010, created additional opportunities for many local sports organizations to develop and grow, thus creating a robust sports tourism trade for the city. Bryant hosts numerous sporting events for all ages including baseball, softball, swimming, soccer, football, disc golf, pickleball, and tennis.

Community events are also important to those living in Bryant, connecting people new to the city to the many traditions that have been a part of the community for decades. The Bryant Fallfest Celebration, hosted by the local Chamber of Commerce, is entering its 35th year and is well attended by locals and visitors alike. The city has recently recreated the 4th of July celebrations from years ago, and are now planning the fifth annual Pops in the Park event.

However, the largest event for this area is the annual "Salt Bowl" Competition. This competition, normally held in August/September is the most attended high school football game in Arkansas. During this battle for the title of Salt Bowl Champion, Bryant takes on its neighbor to the west, Benton. With a normal attendance of over 30,000 fans, this long-standing rivalry extends out past the football field. The weeks leading up to the game will include competitive food drives between the two cities, including the schools and residents. Local businesses, community sponsors, churches and other organizations also find a way to join in on the friendly community wide rivalry.

Economic development and growth in Bryant have held strong through many market challenges. Mostly due to the comprehensive business make-up of the city. The Bryant School District along with the city government itself are the city's largest employers. There were 541 business licenses re-issued with another 7 new licenses requested in 2023 (not all store front). Local industry is varied and it is that myriad of retail, healthcare, restaurants, financial services, and other entrepreneurial opportunities that offers stability to the city's economic development. With Bryant's residential growth still climbing, there is still much opportunity for commercial growth in the city.

In 2021 Bryant saw the opening of the Arkansas Heart Hospital's Encore Medical Center. This four-story building is a general acute hospital care facility with a focus on bariatric surgery and peripheral vascular disease. It also features a full-service emergency department, restaurant and medical offices, bringing an additional 200 jobs to the local healthcare industry.

Arkansas' local economies are commonly supported by sales tax. Arkansas has a statewide sales tax of 6.5%. In Bryant, another 3% is collected and used by the city. This sales tax makes up approximately xx% of the general fund income. I hope you enjoyed this brief Local History on the City of Bryant. Please continue reading to see how we plan to use the resources granted to us by the citizens for the calendar year of 2024.

DEBT

The City has several old debt issuances from 2011-2017 shown in detail on pages 31-33. These issuances are well below the limit established for the cities of Arkansas by the State. In 2023 or 2024 it is likely the city will issue debt again for the remainder of Bryant Parkway, the remainder of the Water Meter Project, and possibly for CAO Wastewater work.

We love to hear from our citizens! Citizen input helps us decide which projects that the City should focus on. Citizens are encouraged to reach out to staff or their City Council members to discuss projects they would like to see in Bryant. For more information on the budget, visit the Finance page on the City of Bryant website.

City of Bryant Letter of Transmittal

Dear Citizens of Bryant,

The annual construction of a budget for the upcoming year is important to your community on many levels. First it creates a road map and a mission for how your city government will utilize the resources allotted to them through sales tax, franchise fees, utility rates, fines, as well as permits. This roadmap is then set into place to create, and ultimately fulfill, a long-term vision for the city.

It is the desire of the council and city employees to continue a proactive stance toward our city's growth and avoid being reactive when possible. To do this takes very deliberate action, which begins with good policy and long-term planning. This planning is then implemented one year at a time. The city currently has long-term plans for some departments like water, wastewater, parks and stormwater but not for all departments. The city is continuing to work towards this goal of a long-term plan for each department and to update old plans. A new parks master plan document was distributed in part to the community in the fall of 2023 and new updated water and wastewater plans are due to be completed in the first quarter of 2024.

As we work to achieve our vision, many goals are set. One of the most important of these would be **public safety**. Keeping our citizens and visitors safe while in our community is imperative to the healthy growth of Bryant.

The administration of public safety for the city is implemented by way of several departments, including Police, Fire, Courts, Public Works and Animal Control. As you read this document, you will find that much of our allotted resources (funding) are consumed by our Public Safety Departments.

From the more obvious safety and community response actions that our police, fire and animal control perform to the behind the scenes work of the public works staff ensuring our local water quality is meeting all standards keeping our community healthy is a main priority. Another high safety priority is stormwater management.

It is no secret that as Bryant has grown, so has its traffic concerns. Traffic congestion is frustrating, bad for businesses, and diminishing to a good quality of life. We devote substantial resources to creating a well-connected community, again, part of our long-term planning process. Every year, we work to improve our pedestrian and cycling infrastructure, focusing first on connecting our parks, neighborhoods and schools. Many of these improvements are funded through grants that the city applies for in conjunction with city resources. In 2013, Bryant implemented a complete street policy. This policy ensures that as Bryant grows, new developments that will affect our city sidewalk and road infrastructure share in the cost of that impact. By implementing this policy, the city will have to spend less tax revenue on building infrastructure in these areas and can reallocate that money for other much-needed uses within the city. In the future, we will also have the ability to build a connector to the, now under design, Southwest Trail Project. This trail will allow us to link Bryant with communities throughout Central Arkansas through a safe and protected trail system.

The construction of Bryant Parkway, the new north-south traffic corridor partially paid for through 2 bonds issuances approved by the voters, will also have a huge positive impact on Bryant. Not only will it relieve the traffic congestion on Reynolds Road allowing alternate routes for school transportation, it also creates additional pedestrian and bicycle access to these schools as well as neighborhoods and parks. Progress on this project has been slow as the city waited on official Federal Aviation Administration and Federal Housing Administration approval. However, now this has been obtained and the project is set to be completed in 2024!

During 2020, a budding engineering department was moved out of public works and made into its own administrative department in order to better service all the departments of the city. In the fall of 2023 the City Engineer left the city and at this time plans for this department have not been solidifed. In 2021 the code and planning departments were combined into one department called community development. This department is not listed under public safety in the annual audit but rather under general government. It is hoped that by combining these departments it will create a new focus and synergy to be enjoyed by the residents of Bryant. These two changes in recent years are examples of Smart Growth. Smart Growth is one of our focus areas as well. Finally, the last significant focus area to be mentioned here is the health and quality of life for the citizens and visitors to Bryant. All departments contribute to this goal in one way or another, but the department whose sole focus of this goal is Bryant Parks and Recreation.

As Bryant has grown, it has struggled to balance its growth with the desires of those living in our community. There is no doubt that the parks and recreation department has felt this struggle the most. Often, when budget time rolled around Parks was looked upon as a want versus a need. It has received cutbacks in areas that did not allow the employees of that department to deliver the level of services desired by citizens and visitors. This budget season for 2024 is no different in this respect. However, several things have been different in the 2024 budget season. After keeping the city's millage, the same low rate of 1.9 mills for both real and personal property since 1992 while surroundings areas raised theirs, Bryant City Council on August 26th, 2023 raised the mills to 3.0 on real property and 3.8 on personal property. During November the County informed the Council that differing rates were not allowed so a proposal to keep both at 3.2 comes to Council November 28th. These changes are forecasted to increase revenues and help to fund in part the fire and police payroll increases that were approved by council earlier that same year in February of 2023. In February the Finance Department recommended delaying these increases in expense until a revenue source to cover them could be definitely agreed upon. Because no new revenue sources were identified the general fund deficit will be taken out of savings at the end of 2023.

Additionally, at the August council meeting council approved a special election to be held on November 14, 2023 for voter consideration to bring back the Advertising and Promotion Tax on restaurants for 2% and hotels for 3% along with the use of this tax to fund a bond for a Tennis Complex. Neither of these ballot iniatives were approved by the people of Bryant so bridging the funding gap for Bryant Parks and Recreation remains a problem going forward.

While these and a forecasted sales tax increase of 2% in part covered the gap resulting from those approved unfunded fire and police payroll increases they did not fully bridge that gap and cuts had to be made. There are three general fund positions; Facilities Manager, Purchasing Manager, and Engineering Designer were left unfunded in this 2024 proposed budget. After much work to find another source of revenue or area to cut the \$172K budgeted for a COLA for non fire and police personnel was removed. Additionly the city hall janitorial contract (duties to be picked up by city hall staff) was removed. The city hopes to be able to add these cut items back into the budget if revenues exceed projections in 2024.

Personnel costs make up the largest percentage category for the general fund each year. Therefore, it makes sense that each year a lot of discussion during budget time is devoted to personnel items. Each year the Council reviews the JESAP study and its recommendations along with the budget. A section of this document explores this study's recommendations in detail along with a five-year comparison of personnel numbers for the city as a whole. Endeavors to close the gap between surrounding areas payroll have been positive and the JESAP review said Bryant was only 2.77% below the market average, substantially the lowest difference in ten years.

With growth comes opportunities, change, and challenges. Council and city employees look forward to 2024 and the continued service to you and this community. We are committed to ensuring at all times we are finding creative ways to make the most of the resources you have entrusted to us. We hope you find the following pages breaking down the budget process, department accomplishments, goals, performance measures and accompanying resources to your satisfaction, and that we are being the best stewards possible with the revenues we receive to operate the City of Bryant.

Sincerely, Joy Black City of Bryant, Finance Director November 20, 2023

Adding Transparency to the Budget Process

During the 2024 Budget Season the Finance Department sent out surveys to City Committee members, Council Members, Department Heads and the survey was posted on the City's website as well. Budget Workshops were held on Committee Meeting nights.

Your city budget is not just an accounting document. It is a management and planning tool for your community.

Because the City is limited by the amount of resources available, the Budget helps your city staff and officials in determining what projects or objectives have the HIGHEST priority and will produce the greatest positive impact on our city.

City budgets are generally composed of an operating budget, showing expenditures, and a capital budget, which shows the financial plans for long-term capital improvements, facilities, and equipment.

In the City of Bryant, there are 3 Major Funds that are highlighted during the budget process.

General Fund which is supported by local sales tax and revenues generated by city processes. This fund is responsible for many of the items Bryant residents

Street Fund:

This fund is set by Arkansas state law to account for money to be spent on roads. This money can NOT bused for any projects not pertaining to Streets.

Water/Wastewater:

This fund is made up of several different revenue streams and is used to account for items related to Wastewater (sewer) activities for the residents of Bryant. These revenues are created by your utility bill charges and must pay not only for the daily upkeep of our water and wastewater system but also in the upgrades and repairs needed for aging infrastructure and needs placed on it by the rapid growth the city of Bryant.

One step in making the budget process more transparent was to reach out to the citizens of Bryant. First, information about the budget and the budget process was placed in the monthly newsletter that is mailed with the water bills, over 9000. Next, The Finance Department provided information by attending the annual Fallfest on September 30,2023 for the third year in a row. The weather was great and attendance was high at the event. During this event, staff from Finance and Stormwater Departments provided Bryant citizens with information and surveys about the budget process and informed them that their input helps set the priorities of the community. Stormwater issues are a large concern for the citizens of Bryant and continue to be a large budget item. Staff helped each other to get the word out about the budget and proper Stormwater etiquette.

Budget and Process Timeline

The City of Bryant typically begins constructing the budget for the following year in August/September of the previous year. The Finance Director and Mayor meet with the Department Heads and make a listing of any anticipated notable large changes from one year to the next. The Finance Director opens up a draft in the city software and asks Department Heads to go in and input their budgets. Then the Finance Director pulls all of that detail out and puts it into a draft booklet for the Mayor and Department Heads to review. The Mayor and Department Heads make any adjustments and a draft is then presented to Council for adoption, typically at the last Council meeting of the year.

While the audited financial Statements of the City are prepared using an accrual method the budget is prepared using the cash method. The main difference between these two methods for the city of Bryant is the depiction of capital assets and debt. Debt includes both principal and interest payments. For budgetary purposes capital assets are shown as expenses that are approved by Council. These are shown as the 58XX series of accounts. However, in the audited financial Statements these, including debt principal and interest payments, are converted via adjustments to the balance sheet.

Prior to the 2018 Adopted Budget, the budget was adopted by line item which was very cumbersome. In 2018 Council adopted the budget by expense category in the major funds, keeping the limited number of Revenue lines still by line item. This was much easier and efficient to administer the work of the City. With this in mind this 2024 budget will be prepared and presented to Council for approval in that same fashion. This means that the budget can be amended along the same categories/lines that it was adopted for expenses/revenues. Between categories or between depts or funds requires bringing the adjustment back to be approved by City Council. Within the category with in the same department small adjustments can be made with the approval of the Finance Director and the Department Head.

Budget/City Strategic Focus Areas

Since 2014 the Four Areas shown below have been the identified and pursued Strategic Focus Areas of the City of Bryant. In this document we have tried to align the Letter of Transmittal along these focus areas as well as all departmental goals, accomplishments and performance measures. Certain departments meet more than one of these goals and are listed as such. This format provides a clear framework around which Department Heads and Departments as a whole can organize their time and resources.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

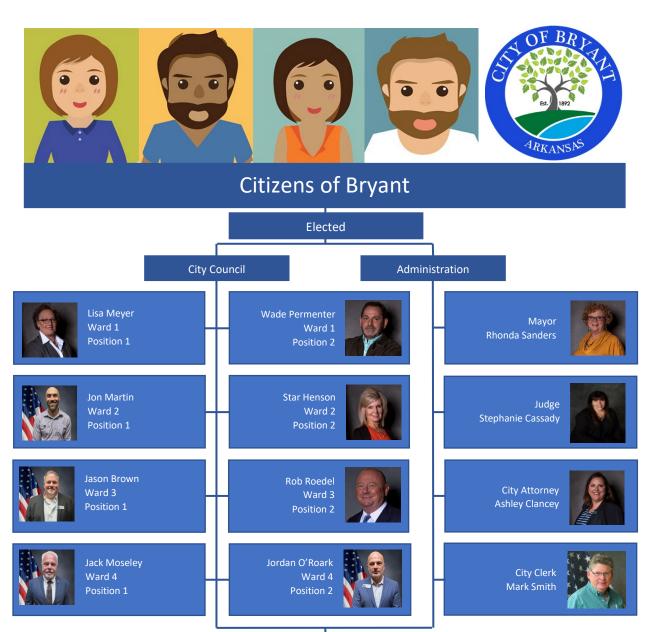

City of Bryant Arkansas

For the Fiscal Year Beginning

January 01, 2023

Christopher P. Morrill

Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Bryant, Arkansas, for its Annual Budget for the fiscal year beginning January 1, 2023. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communicative device. This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

The City of Bryant have put in place several policies to promote compliance and integrity in accordance to Arkansas Code annotated.

As a municipality, the City of Bryant has an established system of internal control that provides reasonable assurance that objectives have been achieved in 1) the effectiveness and efficiency of operations, 2) the reliability of financial reporting and 3) compliance with applicable laws and regulations. The City of Bryant also has established an effective anti-fraud program that: 1) creates a culture of honesty, 2) evaluates the risks of fraud and implements the processes, procedures and controls needed to mitigate those risks and 3) develops an appropriate oversight process. It is the policy of the City of Bryant, to the extent that is reasonable, to conduct its contracting affairs in an open, competitive manner.

ACCOUNTING, AUDITING AND FINANCIAL REPORTING CITY POLICIES

The City's accounting and financial reporting systems will be maintained in conformance with Generally Accepted Accounting Principles (GAAP) and the standards set by the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association (GFOA).

An independent public accounting firm will perform an annual audit. The auditor's opinion will be included with the City's published Annual Financial Reports.

The City's Budget should satisfy criteria as a financial and programmatic policy document, as a comprehensive financial plan, as an operations guide for all organizational units and as a communications device for all significant budgetary issues, trends and resources.

Monthly Reports shall be prepared and presented to the Bryant City Council on a timely basis.

Balancing the budget - the state of Arkansas requires that a balanced budget be presented to Council by December 1st before the year of the budget proposed in State Statute 14-58-201.

Ordinance 2007-35, ACA 14-58-303 and ACA 14-58-306, outlines that the Mayor may sell city assets not exceeding \$6000 in fair market value without competitive bidding. The sale of city assets over \$6000 in fair market value must be brought to council for disposal approval and recommendations.

Ordinance 2014-01 ACA 14-43-501 provides for organization of the City Council meetings and approval of the financial report from the previous month as a new business item at each monthly council meeting.

Ordinance 2021-26 ACA 19-1-505 outlines investments for municipal governments and creates an Investment Advisory Board to oversee and make recommendations regarding investments of monies regulated by the policy.

Ordinance 2022-18 ACA 14-59-105 establishes best practices for internal controls to make electronic fund disbursements of municipal funds.

DEBT MANAGEMENT CITY POLICIES

The City will seek to maintain and, if possible, improve its current bond rating in order to minimize borrowing costs and preserve access to credit. The City will encourage and maintain good relations with financial bond rating agencies and will follow a policy of full and open disclosure.

Every future bond issue proposal will be accompanied by an analysis showing how the new issue combined with current debt impacts the City's debt capacity and conformance with City debt policies.

Financing shall not exceed the useful life of the asset being acquired.

The City will not use long-term debt to finance current operations.

The general policy of the City is to fund capital projects (infrastructure) with new, dedicated streams of revenue or voter approved debt. Nonvoter approved debt may be utilized when a dedicated revenue source other than general revenue can be identified to pay debt service expenses.

Interest earnings on bond proceeds will be limited to: 1) funding the improvements specified in the authorizing bond ordinance; or 2) payment of debt service on the bonds.

Utility rates will be set to ensure debt service coverage exceeds the bond indenture requirement of 110%.

The City shall comply with the Internal Revenue Code Section 148 - Arbitrage Regulation for all taxexempt debt issued.

Proceeds from debt will be used in accordance with the purpose of the debt issue. Funds remaining after the project is completed will be used in accordance with the provisions stated in the bond ordinance that authorized the issuance of the debt.

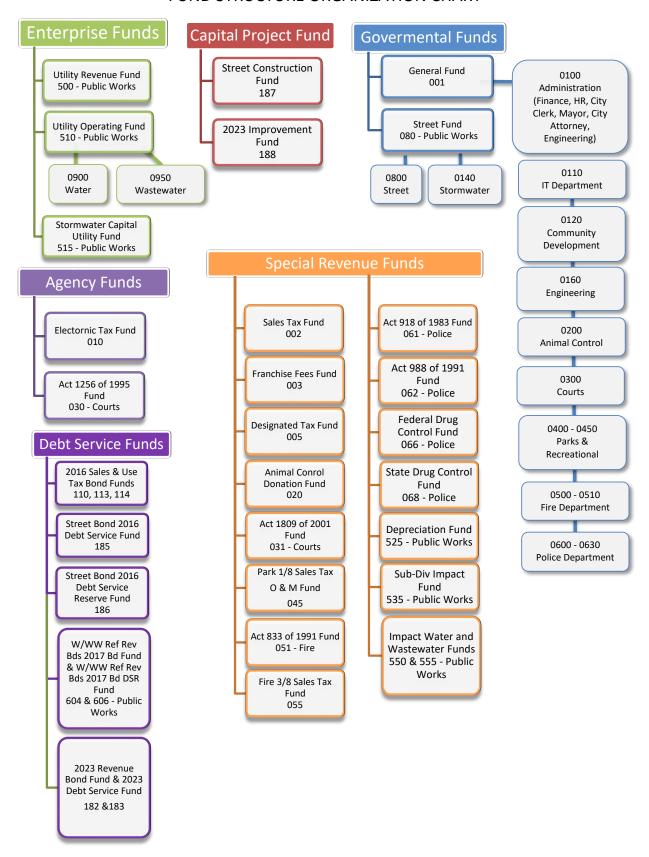

CAPITAL MANAGEMENT CITY POLICIES

A Capital Improvement Plan will be updated annually, including anticipated funding sources. Capital improvement projects are defined as infrastructure or equipment purchases or construction that results in a capitalized asset costing more than \$5,000 and having a useful life (depreciable life) of two (2) years or more, per Resolution 2021-03.

Proposed capital projects will be reviewed by a cross-departmental team for accurate costing (design, capital, and operating), congruence with City objectives and prioritized by a set of deterministic criteria. Financing sources will be sought for the highest-ranking projects.

Capital improvement operating budget impacts will be coordinated with the development of the annual operating budget. Future operating, maintenance, and replacements costs will be considered.

FUND STRUCTURE ORGANIZATION CHART

Govermental Funds

General Fund (001) is the city's primary operating fund. It accounts for all financial resources of the general government except those required to be accounted for in another fund.

Street Fund (080) is a special revenue fund to account for all acitivities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street fund is financed by state turnback funds, and a portion of a state-wide 1/2 cent saled tax approved by the voters in July 2013.

Capital Project Fund

Street Construction Fund (187) were designated to be spent within three years of the 2016 Sales & Use Bond for park and street capital projects. Bond funds remaining in 2020 are encumbered for work in progress.

2023 Improvement Fund (188) were desginated to be spent within three years of the 2023 Sales & Use Bond for the second half to the Parkway.

Enterprise Funds

Utility Revenue Fund (500) is used to account for activities associated with collecting the revenues of water, wastewater, and stormwater via the monthly bill collections.

Utility Operating Fund (510) is used to account for activities associated with collecting, treating, and disposing sewage from customers in one department 0950 and the treatment and distribution of drinkable water to customers in another department 0900.

Stormwater Utility Fund (515) is used to account for activities associated with completing major capital stormwater projects.

Agency Funds

Electronic Tax Fund (010) is used to house payroll associated liabilities and sales taxes as they come in from the state. Any funds left in this fund over a period belong to another entities such as the state or county or to employees, etc. This fund merely serves as a clearing fund.

Act 1256 of 1995 (030) Administration of Justice Fund - ACA 16-10-308 established that cities would receive a share of the uniform court costs and filing fees levied by the state law. These may be used to defray a part of the expenses of the administation of justice in the City. These funds are kept and spent from this fund.

Special Revenue Funds

Sales Tax Fund (002) is where the intial deposits of sales tax collections from the state before being distributed to other funds. For audit purposes it is shown with the General Fund (001).

Franchise Fees (003) is where the initial deposit of franchise fees collected from utiliy companies before being distributed to other funds.

For audit purposes, it is shown with the General Fund (001).

Act 1809 of 2001 (031) District Court Automation Fund ACA 16-13-704 established that 1/2 of \$5 per month on each person in the court could only be used for court-related technology. These funds are kept and spent from this fund

Park 1/8 Sales Tax O & M (045) Bryant City Code 12.32.01 (2013) levied a .125% sales and use tax to be used to acquire, construct, improve, expand, equip, furnish, operate and maintain new or existing park and recreational facilities, including parking, landscaping, signage, lighting, concession, road and utility improvements, and to pay and secure the repayment of park and recreational bonds.

Animal Conrol Donation (020) Bryant City Code 6.12.01 (2013) via Ordinance 2011-24 established fund to receive donations for the animal control department to be used for any purpose reasonably related to the care, custody, and control of animals secured by the department including training, education, and assistance.

Act 833 of 1991 (051) Fire Equipment and Training fund is used to account for specific revenues per ACA 14-284-403, 404 which requires insurance premium tax funds to be distributed by the County to municipal fire departments for training, purchase and improvement of fire fighting equipment, initial capital construction or improvements of fire departments, insurance for buildings and utilities costs.

Fire 3/8 Sales Tax (055) Bryant City Code 2.36.07 (2013) levied a .375% sales and use tax to be used to operate and maintain; acquire apparatus and equipment, acquire, construct, improve, and expand facilities; to pay and secure repayment of fire department bonds

Act 918 of 1983 (061) ACA 12-41-701 established the ability of cities to receive a portion of fines and penalties from the Courts to be used for law enforcement purposes. These funds are kept and spent from this fund.

Act 988 of 1991 (062) ACA 27-22-103 established the ability of cities to receive the fine for citizens who fail to insure their motor vehicles and use those fines for the purchase and maintenance of rescue, emergency medical, and law enforcement vehicles, communication equipment, animals owned or used by law enforcement agencies, life saving medical apparatus, and law enforcement apparatus. These funds are kept and spent from this fund.

Federal Drug Control (066) and State Drug Control (068) established that asset forfeitures resulting from drug offense cases should go to the arresting agency. These revenues shall only be used for law enforcement purposes.

Depreciation WW (525) holds money set aside each month by the Customer Service Management Group per the Bond Debt

Sub-Div Impact Fund (535) collected by Code Enforcement for Water and Wastewater.

Impact Water and Wastewater Funds (550 & 555) holds money collected by Code Enforcement as well approximately \$600 collected for Water and \$500 for Wastewater.

Debt Service Funds

2016 Sales & Use Tax Bond Funds (110, 113, 114) These bonds were obtained to fund two Fire Stations, several Parks Projects and the Street connection from I30 to the Airport.

Street Bond 2016 Debt Service Fund (185) These bond funds were refunded in 2016 and the proceeds used to fund the on off ramp connecting I30 to the Street discussed above connecting I30 to the Airport and providing traffic relief along Reynolds Road.

Street Bond 2016 Debt Service Reserve Fund (186) is the Debt Bond Requirement for the 2016 Franchise Fee Funded Bonds.

W/WW Ref Rev Bods 2017 Bond Fund and W/WW Ref Rev Bond Debt Service Revenue Fund (604 & 606) hold money associated with the 2017 Water/Wastewater Revenue Bonds - Thse bonds have been refunded and used several times to fund various Water and Wastewater infrastructure needs.

Plans for Fund Balances for the three major funds (General, Street, and Water/Wastewater) are shown above and on the Focus Area page 1X. Street completed several projects in 2023. However, a few projects for both Street and Water/Wastewater were carried over via Purchase Order Encumbrances so separately adopted by Council and not in this budget. Any dipping into Fund Balances is the result of Capital Plans. Street adopted capital plans for \$1,706,000 (plus non cap overlays of \$800,000) in this budget and Water/Wastewater adopted plans for \$1,607,000 (plus \$1,000,000 of depreciation expense as well). While these plans were adopted in this budget in these amounts it is likely that they will be on going in part into 2025. These capital plans for Public Works (Street, Stormwater, and Water/Wastewater) will necessitate that the Finance Director and the Public Works Director work closely together to monitor and adjust as needed the cash flow plans. Note further that some one time capital projects wwill be requested out of General Fund savings in January of 2024 after this initial budget was adopted. Council wisely waited to see how the year ended before approving these projects. Council and the Administration has followed this process for the past several years.

Three Major Changes took place between the 2023 and the 2024 General Fund Budgets related to Revenues. First both budgeted grant and interest revenues were drastically increased. PD received an Ark Opioid Recovery Program Grant which had to be shown on both the revenue and expense sides of the budget and new more favorable banking terms were negoitiated. Lastly Council raised the Millage rate for the first time in 31 years. Before these changes the percentage of general fund revenues from sales tax was even higher than the 75% shown here.

ENTERPRISE BUDGETED REVENUES

ENTERPRISE BUDGETED EXPENDITURES

The use of Long Term Debt or Bonds is an essential item to many municipalties to allow them to fund larger more costly projects. Similar to individual financing a car, bonding allows city's to spread the expense of an item over the life of the item. In many cases city's assets like roads and water plants have thirty plus year life spans.

The Enterprise Debt Issuances are Revenue Bond Debt. Prior to issuing enterprise fund bonds, an analysis of current revenues and expenses is conducted to determine the revenues required to support a bond issue.

Only the City's limited Amendment 78 Financing counts as General Obligation Debt limited by State Statute to 20% of the assessed value of the property located within the City.

The City's two Governmental Debt Issuances are Special Obligation Debt which is limited by the maximum amount of the special source (such as Sales tax or Franchise Fee) can generate within terms of bond covenants.

HR, Personnel and JESAP Overview

The city of Bryant uses the Job Evaluation and Salary Administration Program known as JESAP to evaluate its overall Personnel costs. This system is provided by an independent vendor named JER HR Group. JER HR Group also provides these services for several other city's within Arkansas and for the Arkansas Municipal League. The system compares the City of Bryant with 12 of these data sources. For the last seven years with the budget process the most currently available JESAP study is reviewed and accepted by Council as well. This budget document is no different; acceptance of this Budget Book is also the acceptance of the current JESAP Report. During the last nine years in every JESAP report the City of Bryant has been significantly below the market. The City used to request the JESAP study only every other year. In an attempt to help to mitigate personnel issues in a more timely manner the city now requests this review each year. See the most recent JESAP recommendations below:

Exhibit Eight: Recommendations

The City of Bryant was found to be 2.77% behind the market using the 12 outside comparisons that we have used in the past. JESAP staff recommends that current salary ranges not change for 2024, but that the salary grade levels for several positions be changed to more accurately reflect the current market along with an across the board 5% increase to remain competitive in the marketplace. Currently we can not do any of these recommendations and balance the budget for general fund.

Note further: The city had 68 employees in the 3rd quartile, 88 in the 2nd quartile, 63 in the first quartile, 6 in the fourth quartile and 9 in the under minimum category (7 from Dispatch) totaling 234 when the information was submitted for the report.

(A) For Police the Arkansas Opioid Recovery Program grant funds cover a sworn Detective and a civilian Peer Counselor and in 2024 the Comm/Dispatch at Bryant will be eliminated due to a countywide consolidation recommended by the state, effective 1/1/2025. For the 2024 year dispatch will be PD Only., 3 positions eliminated. The City Engineer Resigned in October of 2023 and while management decides what changes if any to make to that department the reporting personnel will report to the Public Works Director under PW Admin.

(B) In 2020 the Staff Attorney position was combined with Elected City Attorney position. IT was hired in house with one staff. Engineering was moved out of Public Works to become its own four person department. Animal control added two new postions. Parks reduced its Admin by one position and moved one from Parks to Rec. The new Fire Marshal position was added in 2020. One SAT was added in PD along with a Public Information Officer and Administrative Assistant.

- (C.) A more precise budgeting for Parks Part Time Position led to 10 being reflected here, see the Parks organization chart for further clarification. Police moved two SAT positions to K9.
- (D) One position was added in the Mayor's office, a Facilities Manager. One position was added in the new Community Development dept, a Grants Manager and one position was added in Finance, a Purchasing Coordinator. 1 Proposed Animal Tech was added and two part time ones. 6.5 Positions were added to Police. A mistake was made last year and the Warrants officer was left off the org chart. A Part Time and two Full Time positions in Dispatch. Corporals were removed from the Organization Structure and 4 Uniform positions were added. 8.5 Positions were added across Public Works mostly in Wastewater.

In 2023 only one position has been added to the General Fund in Engineering and that position has been frozen in these budget numbers. Additionally the position added in 2022 in Finance for Purchasing is also frozen.

(A) Note that Water and Wastewater also play a large role in the Health and Quality of Life Focus Area.

⁽B) only from Oct, Nov, and Dec of 2020 when the City Attorney began employment.

⁽C.) Police was only able to obtain this metric for the current year but will start tracking it now going forward.

⁽D) In 2021 a new Director for PW was hired. Previous numbers are not available.

⁽E.) Fire differences are due to inspections were greatly reduced because of COVID mitigation.

⁽F) Note that Late Notices were suspended from April to Sept of 2020 due to COVID.

⁽G) Unavailable currently due to mid software conversion.

⁽H) The reduction in Unaccounted for Water in 2022 was due to efficiencies created with the water crew and distribution system of locating leaks in the main lines and repairing quickly.

⁽I) Began collecting data for this metric in 2022

⁽J) Due to a software conversion, permits were most likely misclassified in the system at the beginning of the year.

Governmental Funds

The City has two major Governmental Funds - the General Fund and the Street Fund. The General Fund includes the Sales Tax Fund 002, and the Franchise Fee Tax Fund 003 when it is shown in the audited financial statements. However, so that the individual budgeted lines can be viewed by Council those funds are broken out in this budget book and shown under the Non Major Governmental Funds section. General Fund includes the following departments as well. Administration which includes the Mayor, City Clerk, Office of Technology, Human Resources, and Finance. 0100 is this department's code. IT has a code of 0110. Planning and Development is under code 0120. The new Engineering Department has a code of 0160. Animal Control is department 0200. The Court system is shown in department 0300. However, note that the Judge is elected and half of the Courts costs are borne by the city and half by the county. Parks and Recreation is shown by park in the following departments 0400 for Parks General, 0410 for Mills Park, 0420 for Midland Park, 0430 for Bishop Park and Center, 0440 for Alcoa Park and 0450 for Ashley Park. The city has a few more small parks but the expenses associated with these are shown under Parks General 0400. The Fire Department is in the General fund under 0500 and the reciprocal agreement the City has with Springhill Fire District is shown under department 0510. The Police Department is shown under Departments 0600 for General Patrol and Administration of PD. 0610 is the department that shows the costs and revenues associated with Dispatch and 911 calls. The 0620 department shows the costs and revenues associated with the School Resource Officer Program. The City and the School District split these costs. The K9 unit costs are shown under department 0630. The General Fund accounts for all the City's financial resources of the general government except those required to be accounted for in another fund.

The Street Fund is 080 and is a special revenue fund used to account for all activities associated with maintaining and constructing streets. Arkansas statutes that provide funding for street and drainage projects require that these activities be accounted for separately. The Street Fund is financed by state turnback funds and a portion of a state wide 1/2 cent sales tax and 30% of the 1% Designated Tax.

While Street is a Governmental Fund it is managed under the Public Works Director with all the Enterprise Funds.

Other Governmental Funds are shown together and listed in this document as Non Major. These Non Major Funds include some Agency, Debt and Construction Funds.

Interim Mayor at City Hall - 210 SW 3rd St.

Due to the resignation of Bryant's elected mayor, Allen Scott, on September 30, 2023, Rhonda Sanders former Council member was appointed mayor by the City Council from October 1, 2023 through March 5, 2024. Mayor Sanders provided transitional leadership for both the accomplishments of 2023 and the goal setting for 2024. A new mayor will be selected in a special election on March 5, 2024.

The Mayor's office is responsible for overseeing departments and executing policies, including:

Assuring that all City services are delivered to the citizens of Bryant in an effective, efficient, and equitable manner and in compliance with City Council policy

Overseeing long-range planning and improvement of departmental management and service delivery

Serving as a catalyst for developing community-wide goals and mobilizing the resources to attain them

Serving as the primary outreach arm of the City government to other cities the business community, and other government agencies.

2023 Accomplishments:

- 1. Continued to monitor city spending to protect the financial security of the city.
- 2. Continued live streaming of council meetings and other public city meetings.
- 3. Received several grants from Metroplan for Design and Construction of multi purpose trails.
- 4. Continued to make improvements to stormwater infrastructure to mitigate flooding.
- 5. Continued to make improvements to the Water and Wastewater Infrastructure.
- 6. Replaced Aged Water Meter System.
- 7. Continued to meet with local officials to build relationships and work together for the betterment of Bryant.
- 8. Continued to update city policies and procedures for more effective operations.
- 9. Continued to work to increase pay to city employees to aid in retention and to make Bryant more competitive.
- 10. Designed/added multipurpose trails to improve quality of life in Bryant.
- 11. Continued improvements to our Parks system to improve quality of life in Bryant.
- 12. Oversaw the sucessful General Ledger Software conversion process.
- 13. Oversaw the development of the A&P Tax proposal for the city, election November 7, 2023.

2024 Goals:

Elected City Clerk at City Hall - 210 SW 3rd St.

Elected City Clerk, Mark Smith

Terms 2023 to 2026

The City Clerk is an elected official, who like the Mayor and Council, works for the citizens.

Mission Statement: To ensure the City's legislative processes are open and transparent by providing a bridge between citizens and government through the dissemination of information, and to ensure the preservation, access and integrity of records required to be stored for legal and business purposes.

The Clerk's office provides staff support for the City Council, preparing and maintaining the Council meeting minutes and maintaining public access of the Ordinance Manuals. The City Clerk is responsible for recording and publicizing the proceedings of the meetings, preparing the council approved ordinances and resolutions which are numbered, signed by the mayor and attested by the clerk and sealed. The Clerk is the legal custodian of the city's official records and city seal.

It is also the duty of the City Clerk to receive, file, and retain the Code of Ethics and Financial Disclosure Statements from appointed municipal commissioners and elected officials, including the mayor, aldermen, clerk, treasurer, city attorney, and municipal judge and to work in cooperation with the Saline County Election Commission to prepare for City Elections. The term of office for the City Clerk is four years.

Elected City Attorney at City Hall - 210 SW 3rd St.

Ashley Clancy

Mission Statement: It is the mission of the City Attorney's Office to provide sound legal advice to the Mayor, City Council, City Departments, Commissions and Committees. It is also our mission to initiate and defend legal actions on behalf of the City, which may include City employment and personnel matters, condemnations, property issues, zoning issues, contract and lease disputes, and other causes of action in both State and Federal Courts.

Additionally, it is the mission of this office to prosecute in the criminal division of Bryant District Court misdemeanor offenses, traffic law and ordinance violations which occur within the city Limits in a thorough, efficacious, and equitable manner and to assist the authorized and assigned departments in the enforcement of laws and the protection of the health, safety, and welfare of the citizens of the City of Bryant.

Goals

- 1. To promote integrity in all facets of work and professional conduct.
- 2. To serve our community with competent professional legal representation.
- 3. To treat all persons with a professional, respectful and compassionate manner.
- 4. To be accountable for ensuring the policies of the office and the needs of the community are served.
- 5. To be open and forthright in our communications with all parties involved in any city legal related issues.

Legal Advice to the Public

The City Attorney is the attorney for the City of Bryant as represented by the elected Mayor and Council Members. Because of that relationship, the office cannot represent or provide legal advice to the public, individual citizens or private organizations.

Mission: To serve the people by efficient and accessible administration of justice for all, to treat everyone with integrity, fairness and respect.

Executive Assistant to the Judge,
Debora Midget

District Court Clerk, Lindsey Dinwiddle

Trial Coordinator, Jackie Lindsey

Deputy Court Clerks: Deana Pankey Debra Styles Grace Buchanan

Ancillary District Court Clerk, Melanie Smith

In Arkansas, district courts were formerly known as municipal courts before the passage of Amendment 80 to the Arkansas Constitution in 2000. Act 3 and Act 627 of 2009 created 25 pilot district judgeships in the state, two of which are in Saline County. The Saline County District Courts exercise countywide jurisdiction over misdemeanor criminal cases, preliminary felony cases, and in certain types of civil cases in matters of less than \$25,000. There are no jury trials in district court. In a district court trial, the judge makes both findings of fact and rulings of law.

A small claims division of the Saline County District Court is administered by the Bryant Department and presided over by Judge Casady of the Bryant Department. This small claims division provides the citizens of Saline County a forum in which citizens may represent themselves to resolve minor civil matters. No attorneys may take part in litigation in the small claims division.

Ribbon Cutting Boswell Courts

Joyce Sheffield Boswell, an 89-year-old resident of Bryant, Arkansas, recently retired from the Bryant Parks Committee but continues her lifelong dedication to the city. Having lived in Bryant for 84 years, she witnessed its growth from a small community of fewer than 100 people in 1938. Boswell and her late husband, Ted, played pivotal roles in establishing the city's parks system, with their contributions dating back to 1940 when they helped create Ashley Park. She has served on the parks committee for about 20 years and is known as a staunch advocate for preserving the city's trees. Her commitment to the community extends to saving historical landmarks, like an old bridge, and she has been recognized for her lifelong service, with the dedication of new Joyce Boswell Courts at Wilbur D. Mills Park. Despite her retirement, Joyce Boswell's love for Bryant and its rich history remains unwavering.

Pumps & Controls Operator James Harris Inventory and Acquistion Specialist Christina Call

Mechanic, Dylan Shepherd (note this position and the asst. is paid out of Admin but reports to the Street Superintendent)

Mechanic Assistant Caleb Kelly Construction Project Coordinator, Scott Chandler

Construction Project Coordinator,
Joe Henry

Construction Project Coordinator,

Daran Robertson

The three positions above were moved nere when the City Engineer resigned in October of 2023. Management is considering its long term options for that department.

Note: Bryce Rimmer manages the Pumps and Controls and Water Departments but Pumps and Controls does work for both Water and Wastewater and is paid from both sets of funds.

Mission Statement: Provide quality of life to residents by building and maintaining Public Works infrastructure to protect the health and welfare of the city residents, businesses, and visitors along with the environment. We will also provide superior customer service in a timely and efficient manner. The department works to provide these services, as well as to support economic growth and development, with the teamwork and trust of highly qualified and skilled personnel.

Enterprise Funds

The City has a major Enterprise Fund called the Utility Revenue Fund shown as number 0500. This fund started out housing the collections of the water payments on the utility bills; however, wastewater funds are collected through this fund as well. Any Enterprise Fund revenues are collected through this fund and then distributed out to their separate funds via transfers. This began changing with a General Ledger Software Conversion in 2022. Going into 2023 it is planned for all of Water's revenues and expenses to be housed in Fund 0500 and all of Wastewater's related revenues and expenses to be housed in 0510.

The water expenses are derived from the treatment and distribution of water to approximately 9000 customers. The Water department received its water from the Central Arkansas Water Authority in Little Rock, Arkansas. The expense to pay for the water is listed under the supplies category.

In 2016 the City added a new enterprise fund, 0515, one for Stormwater capital costs. The city collects on the Utility bills \$3.00 from all residential customers and \$6.00 from all commercial customers to help fund capital projects associated with stormwater issues. Because many Stormwater issues are related and in Streets the Stormwater Personnel and related operating costs continue to be paid out of the Street Fund, see those related pages in this Budget Book for a complete picture of Stormwater issues.

The Water and Wastewater Divisions had Twenty Year Master Plans completed by Crist Engineering in 2008. New master plans are scheduled to be completed in 2024. The Public Works and Finance Directors have been reviewing these documents for possible inclusion into this document as Appendices. We would like to have all the future plan documents in one place for easy reference. However, first we want to review these documents to see how our current 2024 outlook lines up with the estimates and projections and completion schedules within these documents.

Over the past couple of years our Public Works Department has been striving to move from using all contractors to doing some work "in house." The City has attempted to hire additional employees to do this work. See below a list of "in house" projects planned for the 2024 year.

NI	TE cts	erting with the 2023 Proposed Budget th	ne finance department chose to not separately adopt the budget				

NOTE starting with the 2023 Proposed Budget the finance department chose to not separately adopt the budget lines for the Debt Service Funds 110, 114, 604, 606, 185, and 187 as these budgets were already set by the Bond documents approved earlier by council. From reviewer comments from GFOA these were brought back in the 2024 budget.

Appendix 2 - Salaries, Wages, Benefits Allocation Review

It is a very common practice for shared cost centers in Administration or a general fund of a city to be allocated out to other funds. In the case of the City of Bryant services provided by the departments outlined below - Finance, HR, Attorney, Mayor, City Clerk, Information Technology, and Engineering - are provided to the other departments but the costs associated with their payroll are housed in Administration. To more accurately reflect these costs where they are utilized the Salaries, Wages, and Benefits Calculation is performed each budget season and an agreed upon amount is charged back to the other departments to reflect these costs/usages.

SWB Allocation Review (Salaries, Wages, and Benefits of Admin Staff)

In October of 2020 Department Heads from the seven depts shown below across the top of the chart from Admin were asked to divide 100% of their time amongst all the depts.

It was determined there were no	changes to the allocation	methodolgy for 2023.

The City of Bryant started applying for the GFOA Budget Book Award in 2017. The City first received the Award for their 2018 Budget Book. Planning and long term goal setting have always taken place within the city but with the submission of the budget book these processes have begun to be more fully documented by the present City Finance Department.

The 2016 \$26 million dollar Bond issuance was under taken in part to fund two Fire Stations and several parks projects that had been planned for some time and in part were discussed in conjunction with a 2020 plan. These are all now complete except for the Bryant Parkway Street Project which was delayed by several external factors.

It was planned in both 2020 and 2021 to hold several joint meetings to begin to solidify a 2040 Plan between the City Chamber and the City's offices; however, because of COVID these meetings have been put on indefinite hold. On the City's side to start an informal process of listing items considered for General Fund for the next 20 years the Department heads were polled. Some of the items listed came from the feedback received from Department heads. We have been included this listing in the Budget Books for 2020, 2021, 2022, 2023 and now 2024.

The State of Arkansas mandates that General Funds be budgeted balanced each year excluding capital projects. In order for this to be clearly and transparently accomplished each year the Council has chosen to adopt the regular budget in December and then come back and adopt any capital in January or in later months.

This appendix for these funds is not intended to provide for precise budgeting. The costs are estimates. Annually in the Budgeting process updates to the plan, deletions, additions, delays or other revisions may occur which will reflect changing community needs and resources. Only after incorporation in successive budgets or as approved separately by the City Council will these items be considered funded.

Some of the items contained here in this appendix will require on going operational costs and in some cases produce operational savings. However, given the speculative nature of these items these operational additional costs or savings have not been estimated at this time.

Some of the items discussed for the 2040 plan may require additional review or approval by the various city committees/commission including but not limited to Water/Wastewater, Parks, Community Development and Review, Planning Commission and also review or discussion or reciprocal agreements with the County or State. Additionally some may require public hearings.

Four of the largest capital projects on the horizon in the next decade are a New or Significantly Improved City Hall, a new Fire Station up North, a new Police Headquarters, and a New Animal Control Facility. It is likely the three of these items together will total over \$10 million and will necessitate the issuance of Bonds to pay for them. Starting December 1, 2026 is the first time the Sales and Use Bond from 2016 can be called and/or considered for refinancing. It is possible we could go to a vote of the people at that time for refinancing this debt and pull out money and extend the Sales Tax to pay for these large improvements. This is something Council should be considering at this time.

Appendix 6 - Facilities Operation Cost Review

Grader comments in past years have asked for a review of facility operational costs. This year after adoption, we put this chart together. We hope to improve on this review in future years, however, we have learned a lot from doing this minimal amount of review for the 2023 and 2024 budget years.

Glossary:

Accrual - revenue and expenses are recorded when they are incurred.

Act 474 Sur Charge is paid by the Code Department to the State.

Ad Valorem - a basis for levy of taxes upon property based on value.

Agency Fund - a fund consisting of resources received and held by the governmental unit as an agent for others.

Arbitrage - the simultaneous buying and selling of securities, currency, or commodities in different markets or in derivative forms in order to take advantage of differing prices for the same asset.

Audit - an official inspection of an individual's or organization's accounts, typically by an independent body.

Balanced Budget - a budget balanced by fund, means the total anticipated revenues are equal to or exceed the budgeted expenditures for that fund.

BOND: (Debt Instrument): A written promise to pay a specified sum of money (called the principal amount or face value) at a specified future due date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (called the interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures. The difference between a note and a bond is that the latter is issued for a longer period (over 10 years) and requires greater legal formality.

Budget - an annual or other regular estimate of revenues and expenditures put forward by the government, often including details of changes in taxation or other revenue sources.

ORDINANCE NO. 2023-

AN ORDINANCE TO ESTABLISH THE STANDARDS FOR THE CREATION OF PERMANENT OR TEMPORARY ENTERTAINMENT DISTRICTS PURSUANT TO ARKANSAS CODE SECTION 14-54-1412; AND FOR OTHER PURPOSES

WHEREAS, the City of Bryant, Arkansas, is in a county authorized to sell alcoholic beverages;

WHEREAS, the City of Bryant, Arkansas, is authorized by Ark. Code Ann. § 14-54-1412 (the "Act") to create Designated Entertainment Districts, of both a temporary and permanent nature, and to set reasonable standards for the regulation of alcohol possession within the boundaries of any such districts;

WHEREAS, under the Act, a Designated Entertainment District means a contiguous area located in a part of a city that is zoned for or customarily used for commercial purposes and contains any number and any combination of restaurants, taprooms, taverns, entertainment establishments, hospitality establishments, music venues, theaters, bars, art galleries, art studios, tourist destinations, distilleries, dance clubs, cinemas, or concert halls; and

WHEREAS, the Act and this ordinance are intended to promote hospitality and tourism within the City, to highlight restaurant, nightlife entertainment and hospitality options to tourists, and to create standards for the regulation of alcohol possession within the boundaries of Designated Entertainment Districts.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF BRYANT, ARKANSAS:

SECTION 1: *Purpose and Intent.*

The purpose of an Entertainment District is to promote hospitality and tourism within the City and to highlight restaurant, nightlife entertainment, and hospitality options for tourists.

SECTION 2: *Definitions.*

The following words, terms, and phrases, when used in this ordinance, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Alcoholic Beverage means:

- (a) Beer, ale, porter, stout, sake, or other similar fermented beverage of any name or description containing 0.5% or more of alcohol by volume, brewed or produced from malt, wholly or in part, or from any malt substitute;
- (b) Wine, port, sherry wine, or vermouth wine of not less than 0.5% of alcohol by volume;
- (c) A distilled spirit known as "ethyl alcohol," "ethanol," or "spirits of wine" in any form, including all dilutions and mixtures of a distilled spirit, from whatever source or by whatever process produced; or
- (d) Hard cider brewed from the fermented juices of fruit and containing more than 3% and not more than 21% alcohol by weight.

Open Alcoholic Beverage Container means a bottle, can, or other receptacle that:

- (a) Contains any amount of Alcoholic Beverage; and
- (b) Is either:
 - (1) Open or has a broken seal; or
- (2) Not open or having a broken seal but with its contents already partially removed.

Public Places mean places in which the public as a class is invited, allowed or permitted to enter, and includes streets, alleys, highways, government-owned or operated buildings or grounds, sidewalks and thoroughfares.

<u>SECTION 3:</u> General Standards for Establishment of Entertainment Districts.

Any Entertainment Districts authorized to be created pursuant to this ordinance and Arkansas State Law shall be:

- (a) Subject to the requirements of this ordinance;
- (b) Designated with a unique name in the ordinance or implementing resolution that creates the District:
- (c) Designated by type as either permanent or, as temporary if not to exist for longer than five (5) consecutive calendar days; and
- (d) Comprised of a contiguous area of public places that is described by objective, physical attributes and located in a part of the City that 1) is zoned for or customarily used for commercial purposes; and 2) is immediately adjoining the requisite number of business establishments required for its type.

<u>SECTION 4:</u> Regulation of Possession of Alcohol within Boundaries of Designated Entertainment Districts.

Any Entertainment Districts established under this ordinance shall have operational rules addressing the following subjects, all of which are designed to regulate a person's possession of an Alcoholic Beverage within a District's boundaries:

- (a) Established days and hours for when a person is permitted to possess or consume from an Open Alcoholic Beverage Container;
- (b) The source or sources of an Open Alcoholic Beverage Container permitted to be in one's possession; and
- (c) Usage of identification wristbands or usage of uniform beverage containers or both for those persons who wish to possess or consume from an Open Alcoholic Beverage Container within the District, or enter the District from an Alcoholic Beverage Control Division permitted establishment while in possession of an Open Alcoholic Beverage Container.

SECTION 5: Creation of Entertainment Districts.

- (a) A permanent Entertainment District shall be created only by a City Ordinance in compliance with the terms and conditions of this ordinance.
- (b) A permanent Entertainment District shall be limited to a designated, contiguous area of public places including:
 - (1) Two (2) or more private properties permitted for on-premises consumption by the Alcohol Beverage Control Division.
- (c) A Temporary Entertainment District shall be created only by a City Resolution implementing and in compliance with the terms and conditions of this ordinance.

SECTION 6: Creation of Temporary Entertainment Districts.

- (a) Upon application, and after review by the Community Development Department, with input from the Bryant Police Department, the Community Development Department may recommend adoption of a resolution for the creation of a Temporary Entertainment District having an existence of not more than five (5) consecutive calendar days or ten (10) non-consecutive calendar days.
- (b) An approved Temporary Entertainment District may encompass all or a portion of the geographic boundaries of an existing Permanent Entertainment District; provided, that any inconsistencies between the operational rules of such a Temporary Entertainment District and those of an existing Permanent

Entertainment District will controlled by the operational rules of the Temporary Entertainment District.

- (c) A person seeking creation of a Temporary Entertainment District shall file an application with the Community Development Director on forms provided by the City and the application shall be signed by the applicant and accompanied by a nonrefundable fee of Twenty-Five Dollars (\$25.00).
- (d) An application for creation of a Temporary Entertainment District shall be filed with the Community Development Director at least thirty (30) and not more than one-hundred and eighty (180) days before the Temporary Entertainment District is proposed to commence.
- (e) The application for a Temporary Entertainment District shall set forth the following minimum information:
 - (1) The name, address, telephone number, and email address of the person or entity seeking creation of a Temporary Entertainment District;
 - (2) A description, by objective, physical attributes, of the proposed Temporary Entertainment District;
 - (3) The requested dates and hours when a person will be permitted to possess or consume from an Open Alcoholic Beverage Container within the proposed Temporary Entertainment District;
 - (4) The name, address, telephone number, and email address of establishments permitted for on-premises consumption by the Arkansas Alcoholic Beverage Control Division that are immediately adjoining the proposed Temporary Entertainment District;
 - (5) The name and physical address of all Arkansas Alcoholic Beverage Control Division permittees who will receive and utilize District-approved containers or identification wristbands, or both, during the existence of the proposed Temporary Entertainment District, if so required by the Community Development Director;
 - (6) Drawings or exemplars depicting the proposed District-approved containers or identification wristbands to be used by all Arkansas Alcoholic Beverage Control Division permittees during the existence of the proposed Temporary Entertainment District, if so required by the Community Development Director, and the total number of each item that will be made available for their collective use; or

- (7) Any additional information that the applicant reasonably believes would be helpful to the Community Development Director in order to plan for any City services that may be required and to evaluate the application.
- (f) Any Temporary Entertainment District recommended by the Community Development Director and all persons located within its boundaries shall observe the following operational rules, and any violation of them by persons shall be subject to a fine in accordance with City and State law.
 - (1) No person shall possess or consume from an Open Alcoholic Beverage Container in any designated Temporary Entertainment District except during the days and times described in the resolution approving the District;
 - (2) The boundaries of the Temporary Entertainment District shall be posted continuously in at least four (4) distinct locations within the geographical boundaries of the District, from twenty-four (24) hours prior to and through the period of its existence;
 - (3) No person shall possess or consume from an Open Alcoholic Beverage Container within the Temporary Entertainment District unless he or she is wearing a district approved identification wristband or the Open Alcoholic Beverage Container is within a district-approved container; and
 - (4) The applicant for the Temporary Entertainment District fails to provide exemplars of approved containers or identification wristbands to the Chief of Police of the Bryant Police Department prior to the beginning date of the District.

SECTION 7:

Standards for Creation of Temporary Entertainment

District.

- (a) The Community Development Director shall recommend an implementing resolution for the creation of a Temporary Entertainment District as requested by the applicant if, after consideration of the information contained in the application, and such other information as may be otherwise be obtained, it is determined that:
 - (1) The Temporary Entertainment District will not substantially interrupt the safe and orderly movement of other pedestrian or vehicular traffic contiguous to its location;
 - (2) The concentration of persons within the Temporary Entertainment District will not unduly interfere with proper Fire and Police protection of, or ambulance service to, areas contiguous to its location;
 - (3) Adequate sanitation and other required health facilities are or will be made available in or adjacent to its location;

- (4) There is sufficient parking available in or near its location to accommodate the number of vehicles reasonably expected during the time of the District's existence;
- (5) No temporary entertainment district application for any of the same dates and locations has already been approved or, was previously received and will be approved;
- (6) No Temporary Entertainment District application for the same date, or within a time frame within twenty-four (24) hours of the same date, has been previously received and will be granted, which will require the use and deployment of public resources in such a manner that when combined with the subsequent application, it is reasonably determined that there would be an adverse effect upon the City's ability to provide such resources and to protect the welfare and safety of persons and property, provided that the mere expenditure of public funds for overtime payments for public employees shall not be deemed an adverse effect upon the City's ability to provide public services; and
- (7) No event is scheduled elsewhere in the City where the public resources required for that event are so great that the deployment of public services associated with the Temporary Entertainment District would be adversely affected in a way detrimental to the welfare and safety of persons and property.
- (b) No application for the creation of a Temporary Entertainment District shall be denied because of the basis of race, creed, color, national origin, political viewpoint, disability, or gender of the applicant.

SECTION 8: Notice of Denial of Application for Creation of Temporary Entertainment District.

- (a) The Community Development Director shall act promptly upon a timely filed application for the creation of a Temporary Entertainment District but in no event shall recommend that grant or denial of an application less than forty-eight
- (48) hours prior to the last meeting of the City Council at which the resolution to create the Temporary Entertainment District may be adopted prior to the first date and hour requested by the applicant.
- (b) If the Community Development Director disapproves the application, the applicant shall be notified in writing as soon as possible, but in no event not less than forty-eight (48) hours prior to the last meeting of the City Council at which the resolution to create Temporary Entertainment District may be adopted prior to the first date and hour requested by the applicant.

(c) Notification in writing shall be deemed to have occurred when a letter is delivered in person, by telefacsimile with verification of delivery, by mail with some form of return receipt, or by e-mail with some indication that the message has been read.

<u>SECTION 9</u>: Appeal Procedure for Denial of Application for Creation of Temporary Entertainment District.

- (a) Any applicant shall have the right to appeal the denial of an application for creation of Temporary Entertainment District to the City Council. The denied applicant shall make the appeal preferably within five (5) days after receipt of the denial, but in no event later than the date of the last meeting of the City Council at which the resolution to create the Temporary Entertainment District may be adopted prior to the first date and hour requested by the applicant.
- (b) An appeal must be in writing and filed with the City Clerk. If there are less than five (5) days prior to the requested first date and hour when a person will be permitted to possess or consume from an Open Alcoholic Beverage Container within the proposed Temporary Entertainment District, the applicant shall make the appeal by filing as soon as possible before the said date a written notice with the City Clerk.
- (c) The City Council shall act upon the appeal at the next scheduled regular or recessed meeting following receipt of the notice of appeal.
- (d) The issue on appeal shall be whether the recommendation of the Community Development Director that the application failed to meet the criteria set forth in this ordinance was arbitrary and capricious based upon the information provided in the application.

<u>SECTION 10:</u> Notice to Other Officials of Creation of Temporary Entertainment District.

Immediately upon the creation of a Temporary Entertainment District by resolution, the Community Development Director shall send notice about its creation and dates and hours to the following:

- (1) The Mayor;
- (2) The City Attorney;
- (3) The heads of the City's respective Emergency Services Departments, including Police and Fire; and
- (4) The Directors of other Governmental Entities, or Law Enforcement Agencies, whose Departments may be affected by the attendance of persons within the District, including the Arkansas Alcoholic Beverage Control Division.

SECTION 11: Other offenses.

- (a) It shall be unlawful for any person to possess or consume from an Open Alcoholic Beverage Container in any Entertainment District unless he or she is wearing a district approved identification wristband or the Open Alcoholic Beverage Container is within a district-approved container it is a District-approved container and its contents came from a permittee of the Alcohol Beverage Control Division located within or an immediately adjoining the Entertainment District.
- (b) It shall be unlawful for any person to bring into or remove an Open Alcoholic Beverage Container from any Entertainment District.

SECTION 12: Authority of the Chief of Police.

Nothing in this ordinance prevents the Chief of Police of the Bryant Police Department, or the Chief of the Bryant Fire Department, to suspend the operation hours of any Entertainment District if necessary to comply with local, State or Federal Laws, or Fire Codes, or is necessary to protect the public health, safety and welfare.

SECTION 13: Severability.

In the event any title, section, paragraph, item, sentence, clause, phrase, or word of this ordinance is declared or adjudged to be invalid or unconstitutional, such declaration or adjudication shall not affect the remaining portions of this ordinance, which shall remain in full force and effect as if the portion so declared or adjudged invalid or unconstitutional was not originally a part of this ordinance.

SECTION 14: *Repealer.*

All laws, ordinances, or resolutions, or parts of the same that are inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency.

Rhonda Sanders, Mayor		Mark Smith, City Clerk	
PASSED AND APPROVED this	day of	2023.

Bryant Parks and Recreation Department 2023-2024 Program Agreement

WITNESSETH

WHEREAS, THE CITY maintains property at Bishop Park Aquatic Center in Bryant, Arkansas; and WHEREAS, the use of said property for the purpose of the Bauxite High School Swim Program has been considered the best use of this property for recreational purpose and to better service the citizens of Bryant, Arkansas.

WHEREAS, THE CITY provides and maintains certain recreational facilities for programs and parks in Bryant, and

WHEREAS, Bauxite High School Swim Team provides program administration and operations of the Swim Program in Bryant,

NOW, THEREFORE, in consideration of mutual covenants and promises set forth herein, the parties agree as follows:

THE CITY agrees to grant use of Bishop Park Aquatic Center between November 1st, 2022–Feb 28th, 2023 as outlined here to Bauxite HS for the operation of Bauxite High School Swim Team.

Named property will be used by Bauxite HS for events, and practices on the dates and times listed on the schedules provided to THE DEPARTMENT.

The general conditions of this program agreement will be:

- 1. Bauxite HS will operate programs in accordance with nondiscrimination requirements of *Title VI* of the 1964 Civil Rights Act.
- 2. It is further agreed that program personnel must adhere to all provisions of the Americans with Disabilities Act (ADA) that apply to a particular program.
- 3. Program personnel and participants agree to abide by all Federal, State, and Local laws in addition to the policies of THE CITY pertaining to parks and facilities.
- 4. It is understood that THE CITY will not be liable for any injuries incurred by participants who are participating in activities on or in THE DEPARTMENT Facility. Bauxite HS shall indemnify and hold the City of Bryant, its departments and all of its employees harmless against losses, claims, causes of action and liabilities on account of damage to property or injury to or death of persons arising out of negligent acts by Bauxite HS, its agents, employees, or program participants.
- 5. It is agreed that the named facility, area, or property may not be assigned, subleased, rented, reserved or loaned to any other group, business, individual, or entity by Bauxite HS without prior approval by THE CITY.
- 6. No alterations, changes, or modifications to change the intended use may be made to facilities by Bauxite HS, without first receiving written approval from THE CITY. The Bauxite HS must submit a detailed request in writing to THE CITY'S Park Department (hereinafter, "THE DEPARTMENT").

- 7. Bauxite HS assumes full responsibility and liability for damage caused by participants of their programs. Any damage caused will be fixed by Bauxite HS. If the repair is neglected for a long period of time THE CITY will make the necessary repairs and bill the Bauxite HS.
- 8. Bauxite HS must inspect facilities prior to each use. If damage is discovered to equipment or a facility that poses an immediate hazard or danger Bauxite HS must immediately notify THE DEPARTMENT. Damaged equipment or facilities that do not pose a danger or hazard should be discussed with THE DEPARTMENT. Bauxite HS must report any vandalism or theft to THE DEPARTMENT within 24 (twenty-four) hours or next business day.
- 9. With this agreement, Bauxite HS agrees to pay the charge of High School Swim League fee of \$330 to practice during the scheduled practice time. Payment must be received by November 12, 2023.
- 10. Available Practice Schedule is Monday, Tuesday and Thursday, 3:30 pm 5:00 pm with 1 lane.
- 11. The team roster must be turned in before November 13, 2023. Roster must include Name, Last Name, DOB, home address and phone number, emergency contact name, address and contact number.
- 12. The Department will not provide lifeguard during Bauxite practice times.
- 13. Swimmers will be expected to check in at the Aquatic Front desk each time they enter the facility.
- 14. In order to participate on the Bauxite High School Swim Team and in its practices or meets, Bauxite HS swimmers will not be required to be members of Bishop Park Community Center. However, swimmers who are not members may not under any circumstances be in the aquatic facility without a high school coach or teacher present and supervising them. When practice ends, all non-members must leave before the coach or teacher leaves.
- 15. Bauxite HS agrees to provide a volunteer for each practice to make sure every Bauxite High School Swim Team member uses the facility for ONLY the practice hours provided by The Department. The Department is not responsible for any injuries or accidents at any time. Proof of insurance must be turned in with the roster.
- 16. Bauxite HS agrees to return this agreement signed by the appropriate persons and any and all additional requested material before November 15, 2023.
- 17. Additional conditions to be agreed upon not previously listed:
 - A. Bauxite HS will control all litter by picking up litter their program creates after each time the facility is used. The litter must be placed in the proper receptacle by Bauxite HS.
 - B. Bauxite HS will provide proper insurance for the programs they will be operating on city property. Proof of insurance must be attached to this program agreement before regular season starts. Bauxite HS understands that their program participants are in no way covered by insurance by THE CITY OR THE DEPARTMENT.
 - C. Bauxite HS will submit contact person(s) for after business hours' emergencies.
 - D. At the request of THE DEPARTMENT, Bauxite HS will remove all their equipment at the completion of this agreement period.
 - E. Bauxite HS will insure that their employees or participants do not attempt to operate equipment belonging to THE CITY OR THE DEPARTMENT.
- 18. THE DEPARTMENT agrees to the following specific conditions and assurances:
 - A. The Aquatic Center area will be maintained on a regular schedule.

- B. THE DEPARTMENT will be responsible Monday Sunday for the pool chemicals.
- C. THE DEPARTMENT will purchase and replace light bulbs. If extensive damage is caused by weather or vandalism, the replacement time for lights may be longer than usual.
- D. THE DEPARTMENT will attempt to repair damage to facilities in a timely manner, according to repairs needed.
- E. THE DEPARTMENT upon written request by the Bauxite HS will provide a liaison to the Bauxite HS meetings to assure the maintenance program is satisfactory.
- F. Permanent improvements to facilities and fields will become property of THE CITY.
- G. Non-permanent improvements will be retained by Bauxite HS.
- 19. This Agreement shall automatically be renewed for like terms for successive one (1) year periods until this Agreement is terminated by either party.
- 20. The party electing to terminate this Agreement shall do so by providing ninety (90) days written notice before the end of the term of this agreement, of that party's intent not to renew this agreement.
- 21. THE CITY or Bauxite HS may amend this agreement by the mutual assent of both parties.

THE CITY or Bauxite High School Swim Team may amend this agreement by the mutual assent of both parties. If this agreement is amended, it will be written, signed by both parties stated and attached to this original agreement.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed in their behalf on BHS; and supersede any and/or all previous agreements, contracts, or leases.

- 5. It is agreed that the named facility, area, or property may not be assigned, subleased, rented, reserved or loaned to any other group, business, individual, or entity by SCLAX without prior approval by THE CITY.

- 6. No permanent alterations, changes, or modifications to change the intended use may be made to facilities by SCLAX, without first receiving written approval from THE CITY. SCLAX must submit a detailed request in writing to THE CITY'S Park Department (hereinafter, "THE DEPARTMENT").
- 7. SCLAX assumes full responsibility and liability for damage caused by participants of their programs. Any damage caused will be fixed by SCLAX. If the repair is neglected for a long period of time THE CITY will make the necessary repairs and bill SCLAX.
- 8. SCLAX must inspect facilities prior to each use. If damage is discovered to equipment or a facility that poses an immediate hazard or danger, SCLAX must immediately notify THE DEPARTMENT. Damaged equipment or facilities that do not pose a danger or hazard should be discussed with THE DEPARTMENT. SCLAX must report any vandalism or theft to THE DEPARTMENT within 24 (twenty-four) hours or next business day. SCLAX is permitted to keep their equipment, supplies, etc. in the storage room at the restrooms and pavilion as space allows. THE DEPARTMENT will not be responsible for any costs associated with any damage or theft to equipment being housed at a Bryant park.
- 9. SCLAX will control all litter by picking up litter their program creates after each time the facility is used. The litter must be placed in the proper receptacle by SCLAX.
- 10. SCLAX and THE DEPARTMENT will submit contact person(s) for after business hours' emergencies.
- 11. At the request of THE DEPARTMENT, SCLAX will remove all their equipment at the completion of this agreement period.
- 12. SCLAX will insure that their employees or participants do not attempt to operate equipment belonging to THE CITY or THE DEPARTMENT.
- 13. SCLAX agrees to pay THE DEPARTMENT \$1500 to cover the cost of field maintenance, labor, utilities, and other materials as needed. This amount is due by January 31st, 2024.
- 14. SCLAX will be responsible for lining and painting of game field.
- 15. THE DEPARTMENT agrees to the following specific conditions and assurances:
 - A. Alcoa 40 Park Multipurpose field will be maintained on a regular schedule. Maintenance includes mowing and weedeating on and around game field. SCLAX agrees to assist with mowing of game field when able.
 - B. THE DEPARTMENT will attempt to repair damage to facilities in a timely manner, according to repairs needed.
 - C. Permanent improvements to facilities and fields will become property of THE CITY.
 - D. Non-permanent improvements will be retained by SCLAX.

THE CITY or SCLAX may amend this agreement by the mutual assent of both parties. If this agreement is amended, it will be written, signed by both parties stated and attached to this original
agreement.

Salt County Lacrosse Authorized Agent,

ORDINANCE NO. 2023-

AN ORDINANCE AUTHORIZING THE CITY OF BRYANT WATER DEPARTMENT TO AUTOMATICALLY ASSESS ANY PASS-THROUGH CHARGES RECEIVED BY THE DEPARTMENT FROM CENTRAL ARKANSAS WATER AND/OR OTHER AUTHORIZED WATER SUPPLIER(S) TO ITS CUSTOMERS:

WHEREAS, the City of Bryant, Arkansas purchases its water from Central Arkansas Water;

WHEREAS, any increase in rates by Central Arkansas Water ("CAW") or any other authorized water provider adversely affects City of Bryant Water Department's ability to provide potable water service to its customers at existing charges, fees, and rates;

WHEREAS, increase in rates by CAW and/or any other authorized water provider shall be automatically passed through to the customers of the Bryant Water Department after review and approval of the City Council of Bryant. Any rate, fee, or charge adjustments received from Central Arkansas Water will be brought to the City Council of Bryant for review prior to adjustment of rates;

WHEREAS, customer rates adjusted for pass through increases will only be adjusted by the proportional amount necessary to provide sufficient income to cover the costs of the increase in charges, fees, and/or rates from CAW and/or any other authorized water provider.

WHEREAS, CAW has provided the City of Bryant with a proposed 10 year rate schedule that will take effect January 2024.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF BRYANT, ARKANSAS THAT:

Dear Mr. Asher:
We are pleased to present the following proposal for your review. With Kaeser Compressors, you can be confident your organization will benefit from years of engineering expertise, premium products, and a nationwide service network. Our products reduce life cycle costs with years of reliable service, simple maintenance and high energy efficiency-making them the smart investment.
Kaeser will be providing our standard equipment and instrumentation. Kaeser's scope of supply is as shown on the quote. Items not quoted will not be provided. Kaeser must take blanket exception to any specifications provided with this RFQ.
Thank you for the opportunity to prove Kaeser Compressors offers the best product solutions for your needs, as well as the customer service you deserve.
Sincerely,
Randy Johnson Territory Manager

KAESER rotary blower package

Type: FB 791 C Gauge pressure (Outdoor install.)

With fixed speed and user-supplied power switching and control unit

KAESER rotary blowers are used in a wide range of applications, such as the pneumatic conveying of bulk materials, sewage treatment (aeration and filter cleaning), liquid homogenization and forced air for combustion equipment.

Technical data (pressure data in absolute values)

Conveying medium	Air
Nominal motor power	125.0 hp

Version labels

(The listed labels are keys that describe the product version in greater detail. See operating instructions for further information.):

· G1_C13_ B13_H3_H12_

Project planning note:

- · HB 1300 and 1600 PI Series: For reasons of ease of transport and delivery, the sound enclosure (option) is shipped in segments for this series. Please note that the sound enclosure must be assembled onsite.
- · It is the user's responsibility to integrate the thermistors for monitoring the motor winding temperature into the control system to ensure shut-down in the event of a fault.
- The electric connections for sound enclosure ventilators are installed separately by the user. We recommend allowing the fans to run after blower shutdown to prevent heat build-up.
- Blower packages (complete machinery, only when the option "CE declaration" is selected) with CE marking, EU Declaration of Conformity and user-side power electronics are deemed completed machinery within the meaning of the Machinery Directive if components that are not delivered with the machinery and are needed to operate it are integrated in accordance with the specifications defined by KAESER KOMPRESSOREN SE in the user manual.
- Blower packages (incomplete machinery) without power switching modules are deemed incomplete machinery not ready for operation. A declaration of incorporation as per Annex VII B of the Machinery Directive must be provided in this case (contained in the KAESER scope of delivery). CE marking and declaration of conformity are permitted only after completion of the machinery for operational readiness (at the user's site).
- · CE conformity and marking for electromagnetic compatibility are already in place.

Decisive product advantages

of Kaeser rotary blowers

Efficient and durable KAESER OMEGA blower block

The precision-machined OMEGA PROFILE rotors developed by KAESER guarantee outstanding energy efficiency while minimizing pulsations. High-precision 5f 21-rated spur-ground timing gears have minimal flank clearance and play a major role in contributing to the block's outstanding volumetric efficiency. The spur-toothed design prevents axial bearing loads resulting in significantly longer bearing service life.

Generously sized bearings

Heavy-duty cylinder roller bearings completely absorb the continuously changing radial gas-forces that are exerted on the rotors. As a result, they avoid the springing effect of self-aligning bearings and last up to ten times longer with the same loading.

Effective pulsation dampening

Efficient adsorption silencers with broad frequency range at the intake and pressure side to prevent process air pulsations; strong dampening of fluid noise within the pipelines and, therefore, significantly less noise emissions from the process air conduits, in variable speed operation in particular.

Cool inlet air

When equipped with a sound enclosure, process air and cooling air for the motor are drawn in separately from outside the enclosure. This boosts efficiency and leads to a higher usable air mass flow rate for the same power consumption. The blowers can operate to full specifications at ambient temperatures up to 113 °F.

Type: FB 791 C (Gauge pressure)

Transparent costs

Guaranteed performance specifications as per ISO 1217 Annex C/E

To ensure that planned savings are actually achieved under real operation conditions, KAESER specifies the motor power consumption during direct operation at the power supply of the machine, as well as its usable flow rate as per ISO 1217, Annex C.

For flow rates of 529 cfm or more, for example, the following deviations are considered within accepted tolerances for the specified performance data:

- · Flow rate +/- 4 %
- · Specific capacity (output per flow-rate unit) +/- 5 %

In effect, this means there is a tolerance of \pm 4.5 % for the flow rate and of \pm 2.5 % for the output.

As reported by KAESER, the specified block shaft power, also referred to as the 'coupling power', contains all thermodynamic and fluidic losses of the air-conveying components, e.g. intake filters, silencers, check valves, etc.

The value 'motor power consumption during direct operation at the power supply' contains all mechanical losses, e.g. related to power transmission; electrical losses of the drive motor and all other devices, such as fans, controller, and in the case of a frequency converter, the losses caused in the converter and motor due to voltage conversion.

For pressure blowers, the indicated volume flow is the usable volume flow at the discharge port, converted to the machine's inlet conditions. The blower takes in the cool air at maximum air compression, with no pre-heating, from outside the sound enclosure.

For vacuum blowers, the indicated volume flow is the usable volume flow at the inlet port.
