Good morning!!

I would like to request a conditional use permit for the property on [2714 Lavern St, Bryant, AR 72022](#); this is my home, me and my son live here.

In order to support my family i decided to separate the living room from the rest of the house creating some type of "studio" that i would like to use as short term rental.

**Re: Landmark Lifestyles at Bryant
Proposed Change to approved
Assisted Living and Memory Care Facility &
Woody Drive and Hwy 5 Intersection Improvements**

Mr. Leonard,

On behalf of Pinnacle Point at Bryant, LLC (Owner), Pickering Firm Inc. (Pickering) is submitting this narrative to request a modification to the existing approval for the Assisted Living and Memory Care facility (ALMC). Digital copies of all exhibits will be sent in a separate email to you.

The Arkansas Highway Department (ARDOT) is in the process of starting a highway widening project along Hwy 5 North in front of the current development. This ARDOT project is to include a shared use path in its design. This ARDOT project will require the ROW to be widened into the proposed shared use trail. See exhibit A.

We are proposing to modify our approved plan in order to remove the requirement to build the shared use trail. This is because the ARDOT project will begin acquiring property for the road widening projection this year. If we build the trail as proposed, ARDOT will have to remove a brand-new trail, just to build a brand-new trail. This will cost ARDOT time and money, and cause public confusion.

If you require any additional information or have any additional questions feel free to contact me at gcarrico@pickeringfirm.com or 901-726-0810.

Sincerely,
PICKERING FIRM INCORPORATED
