Letter Stating Request of Conditional Use Permit and Reason for Request

To Whom it May Concern,

I am requesting approval of my Conditional Use Permit to allow me to get a building permit and to complete my add on bay to my shop. I have a 30' x 40' shop in my back yard that I keep and work on my old cars. I built the shop 9 years ago and just recently bought another car. I thought I would add another 15' X 44' bay onto the existing shop and without thinking, I got to work. I am retired and am doing the work myself. I have the slab and framing completed and was ready to put the metal on. The new bay will match the existing shop. I have attached pictures of my shop and the new bay.

I have talked to my neighbor on the west side, Joe Casey, and he has no problem with my add on. Him and I are very good friends and he comes over or I go over to his place. First Southern Church is directly behind me and I have talked to the Pastor, Peter Cunningham, and the Youth Pastor, Seth Alkire, and they have no problem with the add on. I have a privacy fence that hides most of the shop and backyard. I keep the yard well maintained and looking good.

Thank You,

A handwritten signature in cursive script that reads "William H. Gray". The signature is written in black ink and is positioned to the right of the typed name "William Gray".
