Grader comments in past years have asked for a review of facility operational costs. For the 2023 Budget Book after adoption, we put this chart together. We gained a lot from that review so we have kept in for the 2024 and 2025 budget books. As is typical you do not want to overbudget for your Utilities and other facility maintenance costs but you also do not want to drastically underfund these areas either. Reviewing this helps the City at large to budget for these areas more efficiently. We have shaded those areas that are over or under by more than \$5K.

# From the Mayor

I am pleased to present the 2025 Budget in Brief, an important step in keeping you informed about your city government. We take our responsibility to manage city resources seriously, and we hope that is reflected in this year's budget plan.

The majority of our revenue comes from sales tax, while a large portion of our expenses go toward payroll. To maintain our commitment to excellence, we continue to focus on growing our economy and hiring the best and brightest to serve you.

Bryant is a great place to live, and we are dedicated to keeping it that way. Thank you for placing your trust in us to manage your money and resources wisely.

Mayor Chris Treat Elected March 5, 2024 Mayor Treat served as the City's Parks Director from 2016 until elected in March 2024.

# **From the Finance Director**

Budget Season is one of my favorite times of the year. This is the time of year that we get to reflect on what has worked or not worked in the past and plan for the future. I feel each year our planning improves. We refine our processes to better serve the citizens of Bryant.

In the ten years that I have served as the Finance Director for the city of Bryant we have had the same four Budgetary focus areas of Public Safety, Health and Quality of Life, Connectivity and Smart Growth and I have watched as we have made steady improvement in each of these areas.

This new document - The Budget in Brief - is just such an improvement and I hope you enjoy reading it as much as the Finance Department enjoyed making it for you!

**Joy Black** Director of Finance Joy joined the City of Bryant in 2014. The City won its first Distinguished

Budget Presentation Award in 2018 and has consecutively been awarded for 7 years with the recent award for the 2024 budget.

# What does my water bill mean?

Act 605, passed in 2023, gives cities like Bryant greater control over water and wastewater rates, allowing for more efficient adjustments that reflect actual service costs. This flexibility ensures rates remain fair while supporting the maintenance and upgrade of infrastructure like pipelines and treatment plants.

As Bryant grows, Act 605 helps the city respond to rising operational costs and future water demand.

See Appendix D

Purchase Categories

#### Petty Cash

The following departments may maintain petty cash for any item(s) required for official use and whenever the total amount of the purchases including taxes and freight does not exceed their department approval amount. Purchase orders for petty cash are only required when replenishing petty cash funds, expenditures from the petty cash fund do not require a purchase order.

Department	Does not exceed		
Water	\$10		

Receipts from petty cash fund expenditures must be submitted or scanned when requesting to replenish the fund. Cash drawer amounts are as follows: \$200 for Code and Animal departments, \$300 for both Courts and Parks Departments and \$600 for the Water Billing Division.

#### Minor Purchases

A department's authorized purchasing agent may create a purchase order for approval for purchases of materials, supplies, equipment, or services not purchased with petty cash and costing up to \$5,000 without receiving competitive quotes. The authorized purchasing agent will ensure that purchases are a legitimate expense for the city of Bryant, budgeted funds are available, and the materials, supplies, equipment, and services are to be used solely and exclusively by and for the city. Items over \$5000 require quotes based on a purchase order line not by purchase order total.

#### Moderate Purchases

A department's authorized purchasing agent may create a purchase order for approval for purchases of materials, supplies, equipment, or services costing more than \$5,000 but less than the State Statute limit as set by ACA 14-58-303 only after first securing 2 competitive written or electronic quotes, **quotes by phone are not allowed**. Each quote must include the following: Vendor name, address, phone number, date and price quoted. This information must be placed into the purchase order and the department is required to maintain records of quotes for four years. The authorized purchasing agent will ensure that purchases are a legitimate expense for the city of Bryant, budget funds are available, and the materials, supplies, equipment, services are to be used solely and exclusively by and for the city.

#### Large Purchases

When purchasing materials, supplies, equipment, or services costing over the State Statute limit as set by ACA 14-58-303 the city of Bryant shall invite competitive bidding on the purpose or contract by legal advertisement in a local newspaper published and having a general circulation in Bryant once a week for two consecutive weeks prior to the bid opening, under A.C.A. 14-58-303. Bids received pursuant to the advertisement shall be opened and read on the date set for receiving the bids in the presence of the Mayor or the Mayor's authorized representative.

The city of Bryant may waive the requirements of competitive bidding in exceptional situations where this procedure is deemed not feasible or practical or as provided under A.C.A. 14-58-104.

Permission to waive the requirements of competitive bidding must be obtained by City Council via ordinance or resolution.

#### Annual Contracts

Where materials, supplies, equipment, or services are used by multiple departments of the city of Bryant or on a regular or recurring basis rendering it impractical to conduct a procurement process each time the item is needed, the Mayor's office (or Mayor appointee) may conduct a procurement process for an annual contract based on the annual expenditure for the material, supply, or service. All contracts require the Mayor's signature before being valid.

#### Sole Source Items

Where materials, supplies, equipment, or services are used by the city of Bryant and are exclusively available from a single vendor or manufacturer and for which no substitute item is practical or feasible, departments may conduct a sole source procurement for the items. The requesting department shall submit in writing a justification including: copy of the proposed requisition, why the service is needed, and the methods used to determine that a lack of responsive competition exists, and why the service is unique or not available from other sources. This information must be provided in the purchase order. The purchasing agent in the department that requested the sole source procurement must keep the sole source justification for four years after receiving approval.

#### Insurance

The procurement of all types of insurance shall be accomplished in accordance with the requirement of this ordinance as outlined in the annual contracts section except where it has already been determined that self-insurance through the Arkansas Municipal League, etc. is a better long-term solution.

#### Public Works Projects

Construction, repair, or improvement contracts for the city of Bryant will be awarded pursuant to the requirements of A.C.A. 22-9-203—204 and all applicable state and federal regulations.

#### Professional Services Contracts

Where professional, legal, architectural, engineering, construction, management, and land surveyor consulting services are used by the city of Bryant in accordance with A.C.A. 19-11-801. Other similar consulting services are hereby added as "professional services" and may also be procured pursuant to A.C.A. 19-11-801. For purposes of this paragraph, other consulting services means services provided by members of a recognized profession or possessing a special skill of an advisory nature supporting policy development, decision making, administration or management of general governmental operations.

#### Purchasing Cooperatives

Purchasing Cooperatives as allowed in A.C.A 19-11-249, may be utilized by the City of Bryant for the procurement of goods and services if deemed in the best interest of the city of Bryant.

#### Standards of Conduct

#### Conflict of Interest

No city employee, officer, agent, or city council member or immediate family member of any such person shall participate in the selection, award, or administration of a procurement or contract if a conflict of interest, real or apparent would be involved except as may be permitted by ordinance of the city council members pursuant to A.C.A. 14-42-107. Such a conflict would arise when any of the following has a financial or other interest in the firm selected for award: the employee, officer, agent or city council member; any member of his/her immediate family; or his/her business partner; or an organization that employs, or is about to employ, any of the above.

#### Prohibition against gratuity and contingent fees

The officers, employees, city council members, or agents of the city shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors or parties to sub-agreements. Provided, however, that unsolicited promotional items of nominal intrinsic value and minimal meal costs incurred as a result of business meetings with contractors are hereby exempt. Said promotional items may

#### Purchasing Policy City of Bryant

not exceed twenty-five dollars (\$25) per item and said meals may not exceed the General Services Administration (GSA) per diem rate per meal.

#### **Disciplinary Action**

Appropriate disciplinary action shall be taken by the Mayor for any violation of these standards of conduct.

#### Purchasing Standards

#### Contract Review

All contracts, regardless of the amount, and contract amendments shall be reviewed by the City Attorney **prior to execution** and will be checked against the state and federal debarred list. See Appendix B

Signed contracts and contract amendments will then be given to the City Clerk for record retention.

Change Orders – if change orders exceed 25% of the original contract amount (or Requisition/Purchase Order amounts) and the original contract amount exceeds the State Statute limit as set by ACA 14-58-303 and came to Council then the change order must be brought back to Council as well.

#### Terms and Conditions

All contracts and contract amendments shall include standard terms and conditions for purchases.

#### Payment Verification

All invoices submitted for payment shall be audited for accuracy and correctness including submission of complete documentation supporting the invoiced amount by using the receiving process for purchase orders. Prior to approval for payment, invoices shall be reviewed for verification that all work performed as invoiced: that all products and services were received or provided as invoiced; and that the contract terms and conditions were met. Once a purchase order has been approved and received within the system payment is approved.

#### Accounts Payable/Requisition Purchase Order Quick Reference Guide

#### **Vendors**

Before requesting set up of a new vendor in Tyler make sure there is not a vendor already in Tyler who can provide the service or supply you are needing. Check to see who the City ordered from the previous year. If not then acquire a legible W9 and send it in email to AP. AP will then send you back a new vendor number. Credit applications, when needed, must be completed and then signed by the Mayor or the Finance Director. No orders can be made till all steps are completed. There are MISC vendor numbers for select purposes if you think you might NEED to use one of these contact the Finance Director to discuss it.

#### Purchase Orders

A Purchase Order followed by a check payment is always preferred over credit card use. Cards cannot be used for capital items (GL accounts beginning with 58xx). Only REFUNDS within the same calendar year can be taken from a revenue line (4XXX). Credit card receipts must be presented to the departmental CC processing individual within 24 hours of use. In the case of travel, turn receipts in within 24 hours of return.

All invoices received from vendors must contain a PO Number. If not, contact them and explain this is a requirement.

All invoices/statements from vendors should be addressed to Accounts Payable, 210 SW 3rd Street . In certain instances approved by Finance POs may have a department listed as the invoice address, see Exceptions Listing.

When Entering POs in Tyler always use the "Quantities" field. For example, if you order 17 items, two of which were broken during shipping, you can "Receive" in Tyler what arrived in working order and dispute the damaged/missing items and request replacements. If payment is made for damaged/missing items, leverage to dispute is lost. Note Receiving is no longer mandatory for payment in Tyler the way it was in Springbrook.

It is vital that Requisition Descriptions are detailed for our Approvers, Reviewers, and the Auditors. If you are an Approver <u>do not</u> approve a Requisition that is missing the required information (see below). It must be obvious what you are buying, for whom, from whom and why. You do not need to list the Vendor anywhere as a Description. It is listed elsewhere and is redundant!

Notes Required in Requisitions Descriptions (at a minimum all Requisitions must have a Requisitions Description filled in)

Last five Digits of the **VIN #'s** for a City owned piece of equipment or vehicle. If it is not city owned justify why we are responsible for payment.

Postage - as stated above clearly state what we mailed, where and why it was a City expense.

**Clothing** purchases MUST include one of the following. <u>**Do not**</u> abbreviate. Immediately following the name of the purchase, i.e. pants, shirts, hats, boots, anything paid out of a Uniform line 5055 or 5057

"To be Property of the City of Bryant. To be inventoried and tagged by the dept." If the PO is to come to Finance first

If the item is to be the Property of the Employee and therefore a taxable benefit to the Employee then it will need to come to Finance via HR/Payroll not through the regular PO Process. Any POs referencing this should be rejected by any approvers and the PO creators instructed to reach out to HR instead.

**Travel and Training** - List who it was for, where they are going and why and what dates they attended. Fill out, have signed by the supervisor (the Mayor in the case of Department Heads) and turn into AP the Travel Permission Form on the intranet for any Reimbursement Requests. Need to get with Jordan and get it added

Do not hit a GL account starting with a 58XX unless the item is valued over \$5000(with the exception of any purchase that requires licensing) and will last more than two years, per Capital Asset Policy set forth by Council. Hitting a GL Account beginning with a 58XX is signaling to Finance that you want to capitalize this item and account for it in future years. If you have any questions about whether or not something is capital please call or email the Finance Director, 501-943-0318, jblack@cityofbryant.com.

Quotes - on all items over \$5,000 you must obtain 2 like quotes (make sure to include taxes and Freight) - list where you got the quotes, what they were, which one was selected and why (if it was not low bid). Departments are responsible for keeping the QUOTE support paperwork for a minimum of 4 years for the Audit and they should be attached in Tyler (add QA at the front of the Requisition Description for "Quotes Attached"). If an item is SOLE SOURCE please list that first on the Requisition Description and be prepared to support your determination of SOLE SOURCE (add SS at the front of the Requisition Description) to the Auditors. Attach the SOLE SOURCE memo from a Distributor to the Requisition Paperwork in Tyler. SINGLE SOURCE is defined here as "best performing for the current City systems, usage, or services. If using SINGLE SOURCE instead of obtaining quotes the vendor needs to be listed as such in the Budget Book approved by Council annually. If using State Bid Pricing add a SB to the front of your Requisition Description. If using the Mayor's approval to by pass the \$5K quote requirement add an MA before your Requisition Description.

#### Credit Card Policy

Page 1 of 2 - City of Bryant, AR City Credit Cards Policy

The city has obtained city credit Cards to provide City employees with a method of payment for certain City business (Default for a city purchase should be through the normal PO process if a Credit Card is used instead there needs to be a reason ie. Emergency, time savings, on line, etc.). Certain full time employees are eligible to use City Credit Cards (Part time employees must be given special permission by the Dept Head in writing). Cards will not automatically be issued; Issuance will depend on the demonstration of need for the use of the card.

All receipts substantiating the use of City Credit Cards are due to the Department Credit Card Administrators within 24 hours of use of the card. If the City Credit Cards are used while on approved City Travel or Training, then receipts are due within 24 hours of return from the Travel.

Monthly all items supporting items paid for on a City Credit Card are required to be turned into the Finance Department (typically electronically via scanning into the GL software), typically by the third business day of the following month. Supporting items must include but are not limited to

(1) the date of each purchase

(2) the name, address, email and phone number of the vendor from whom the purchase was made (these should be on the W9)

(3) the Purchase Order approved for the purchase including a Description of the City Purpose of what was purchased

(4) the receipt from the vendor of the purchase.

The City Credit Cards are the property of the City and must be returned to the Finance Department upon separation from employment (including administrative leave or suspension) with the City of Bryant, AR or whenever requested by the Finance Department. City Credit Cards must be requested by the Department Head (a minimum of 30 days after the employee's start date) from the Finance Department. The Finance Department assumes that the Department Head and the Human Resources Director have made sure that the Employee for whom a request is being made has that level of monetary authority approved within their "Job Description." It is the responsibility of the Dept Head and the HR Director to assure this before requesting a card from the Finance Department. Card amounts/limits are set by card as noted on page 2 of this document. Finance will default to a limit of \$2500. Justification for an increase from the default must be supplied by the department head.

Employees who are issued a City Credit Card or will be using the Department Card issued (either for temporary or permanent use) will be required to sign a BRYANT CREDIT CARD FORM outlining this policy.

All City of Bryant Credit Cards must be maintained in a secure location. Cardholders shall not permit anyone to use the card assigned to them for any purpose. City Credit Cards may not be used for any personal use at all, no exceptions.

Immediately upon discovering a City Credit Card has been lost or stolen the cardholder is required to call the number on the back of the card (please write this phone number down and keep it somewhere

#### Purchasing Policy City of Bryant

#### Page 2 of 2 - City of Bryant, AR City Credit Cards Policy

separate from the card) and report the loss or theft, then immediately email or call the Finance Department and report the loss or theft to them as well.

Possession of a City Credit Card does not by itself constitute authorization to make purchases. Types of payments need to be approved with the Department head prior to card use. And all other city purchasing guidelines must be followed when using the card i.e. Quotes on items over \$5000 (taxes and freight included), public bidding on items over \$35,000, Obtaining a W9 Form from a vendor before buying from that vendor, etc. Four or Five Misc. Vendors exist in the system for Fuel, Hotels, Taxi Cabs/Umber/Transportation and Parking etc. These exist for small unlikely to be used again, possibly out of state vendors where the City 1099 Requirement for a W9 will not be met within one calendar year per the IRS. Please call or email if you have questions about using one of these Misc. Vendors for a specific instance.

City Credit Cards may not be used to purchase Capital Items (items which cost over \$5000 and will have a life of more than two years per Council Policy). These Capital Items are indicated by beginning with a 58XX account in the General Ledger.

City Credit Cards may not be used to purchase items that will be paid out of a City IT line unless the IT Credit Card is used.

This policy was drafted and approved by Council at the July 27, 2021 Council meeting. It supersedes and replaces any previously related policies.

#### BRYANT CREDIT CARD FORM

As a user of a City of Bryant City Credit Card I understand what is required of me in order to continue to have access to the credit card (outlined on page 1 and 2 of this Policy). I understand that if I do not comply, that I may be held personally financially responsible and that I may lose my purchasing privileges and/or be subject to disciplinary action. I understand that any balance for which I am personally financially responsible might be withheld from my future payroll from the City of Bryant as a condition of my employment.
