City of Bryant
Via Email waterbilling@cityofbryant.com

Dear Sir or Madam:

We recently received our water bill for our Big Red Store 128 located at 2400 Springhill Road in Bryant. The bill was in the amount of \$18,135.60. We of course normally have a much smaller bill.

I spoke with our maintenance department to see if they were aware of any issues at the store. I was told that on 8/26/22 water was reporting standing in the front area of our lot by our store team members. Our maintenance department immediately called our Grandon Plumbing for assistance. It was determined that a major leak on the water main towards the back of the building had occurred. Grandon Plumbing immediately marked the area for one call and started the exploratory excavation. The leak was fixed the next day August 27, 2022.

We wanted to know if there is any possible relief that could be provided to reduce this extraordinarily high bill. Please advise.

I have attached copies of the Water Bill, Grandon invoice 2697 and Grandon invoice 2698.

If you have any questions, you may contact me, Bobby Gabbard, at 501-951-3406.

Thank you.

Hello, I phoned Tuesday about a water leak at Mitchell's Barber Shop on 102 North Reynolds Rd. During the conversation, it was discussed that our bank draft would be put on hold until it is discussed with the water board. I have attached a copy of the plumber bill. He said that one of the items fixed was the regulator on the meter. Let me know if you have any questions or if there is anything further I need to do to rectify this. Thank you, Mitchell Beggs

To: "waterbilling@cityofbryant.com" <waterbilling@cityofbryant.com>

I am forwarding to you a copy of the September 14 work order from Rainey Realty. It shows the cost and what work was done by the plumber hired to repair the leaking water line at 27 Arcadia Circle, Bryant.

It was apparently leaking for quite some time.

We didn't realize there was a leak as we didn't have any noticeable loss of water pressure in the house, and it had rained during that time frame.

The leak was in an area that frequently has standing water after it rains.

So I am respectfully requesting an adjustment to the water bill for the service periods of 7/19/2022 to 8/25/2022 (billing date 9/11/22) and 8/26/2022 to the date of the repairs.

Thank you for your consideration.

 Customer Service Manager

My name is Keith Luckin, phone # 501-247-1548
After receiving a really high water bill, I called the water department and they suggested that a running toilet might be the cause. She stated to make repairs and bring receipt.
During the summer I was aware of one running toilet. I turned off the water to it, but it was turned back on at some point without my knowledge, which I discovered after speaking with the water dept. rep, possibly being turned on and off periodically by my wife and/or daughter.

I had previously purchased a repair kit and had set it off to the side, ~~but~~ I used that kit to repair the toilet by replacing its malfunctioning flush valve. I then tested a second toilet by putting blue food coloring into the tank, which revealed a slow leak into the toilet bowl. I initially was going to replace rings on the stopper/plunger, but at that point the water was audibly running at that 2nd toilet's flush valve. I purchased another flush valve and made necessary repairs to the 2nd toilet.

To whom it may concern,
I received a water bill due next
month for \$300 something. I have
missed places the bill and am able
to locate it. To give you the
exact amount of bill.

I found from a friend I had
left my water faucet running, they
turned off for me.

I would appreciate to be
considered to reduce the
amount of bill.

Thank you
Rita Dabbs

Citizen's Concerns/Public Comments: **September Leak Adjustment Requests:** All requested adjustments were approved.

Motion to Approve Leak Adjustments: **Robert Griffin**
Motion Seconded: **Wade Boone**
Motion carried with all aye votes

Minutes: Motion to Approve **October** **David Hannah**
Minutes as Presented:

Motion Seconded: **Wade Boone**
Motion carried with all aye votes

Motion to Table **August** financials: **Linda Levart**

Motion Seconded: **Wade Boone**
Motion carried with all aye votes

Public Comments: Blake Doles, 14306 E. Polk Road, Alexander, appeared before the committee. He explained his property will not perc. He is asking for permission to tie into D'fiser's 4-inch sewer line that runs in front of his house. The issue from previous meetings is that if approved and others request tie-in, precedence would be set and a moral obligation would be set. A motion was made by Linda Levart to deny and seconded by Kathy Barber.

Old Business **Beta Test Discussion:** Ted presented the running total of all participants in the meter pilot project. There are 46 parameters listed in the scoring sheet. Based on the criteria that were requested and the final score of each participant, a recommendation was made. Motion by David Hannah and seconded by Kathy Barber.

Discussion of Revisions to Water/Wastewater Specification Update: Constantly reviewing and editing. Grinder pump section amendment. Ted explained details regarding what is covered. Clarification needs to be included that subdivision lots are not included and only lot by lot could be covered.

CAW: Tim explained that CAW is in the process of a rate study. The City of Bryant will perform a third-party rate study every 3rd year will be due next year.

New Business **Act 605 Training of Board - Attendance Selection:** Ted advised that not everyone is required to attend. An open discussion into dates and times before the end of December. Ted will follow up with the trainer to find out availability.

Force Main Study: Looking into Springhill Force Main and Lift Station 5 studies.

Projects:

South Plain Hydraulic Gradient Upgrade: Currently working on the modeling and will perform some of the studies in the evening to make assessments for improvement.

CAO Status Update: Finishing up the open cut next week or two. For next year, a section of 7,000 feet near Mills Park has been isolated and will be pipe burst next year.

Saline Regional Public Water Authority Update: Looking into permits and pricing. Also, there are restrictions that are being looked into.

Tyler User Interface Update: The general ledger has been converted to Tyler from Springbrook. Utility billing will follow in the first of the quarter.

With no further business, the Chair asked for a motion to adjourn.

Motion to Adjourn:

Motion Seconded:
