Minutes: Motion to Approve May Wade Boone

Minutes as Presented:

Motion Seconded: Robert Griffin

Motion carried with all aye votes

Financials: The Committee reviewed the attached financial statement. Tim informed the committee that our

budgets are still on track and the accounts are healthier than they previously have been. Linda

Levart made a motion to table the April Financial report to discuss at July's meeting.

Motion to Table April financials: Linda Levart

Motion Seconded: Robert Griffin

Motion carried with all aye votes

Public Comments: Mr. Skinner (308 Fairoaks Drive) appeared before the committee to ask for an adjustment on his

sprinkler meter water usage. Mr. Skinner called the billing office back in 2017 to have his sprinkler meter turned off. A work order was created and the meter was turn off at that time. Mr. Skinner turned his meter back on himself but did not notify the billing department, which left his account in a hold status and zero billing. Mr. Skinner does not dispute the water was used. The Committee is unable to adjust the water usage billed, however it was discussed that a discount could be granted based on the fact that the cost of water to the customer was not the same in previous years. Robert Griffin made a motion to discount the bill by recalculating the water usage based on the customer rates from 2017 and allow the customer to make payments over a period of 6 months

with City Attorney approval. David Hannah seconded the motion.

Old Business Beta Test Discussion: The project is ongoing. A list was created of potential volunteers and

installation is scheduled for the following week.

New Business Discussion of City Water Hydraulic Gradient: Ted Taylor explained the locations of plains within

the city and the elevation differences that affect the hydraulic gradient. A grading project is being

established to mitigate issues within those lower elevation areas.

Projects:

CAO Status Update: Currently, there is one more pull left to finish up the project. RJN has been contracted to investigate any issues within the I&I throughout the city.

Saline Regional Public Water Authority Update: A meeting was held last week and progress is being made. Land inquiry is the process to purchase another ten acres. Close contact with involved parties is being made consistently to ensure the project continues to moves forward.

Tyler User Interface Update: Utility billing has attended training recently and additional training is scheduled on the EAM for the Public Works Department in June.

With no further business, the Chair asked for a motion to adjourn.

Motion to Adjourn: Robert Griffin Motion Seconded: Jack Moseley

Three of the largest capital projects on the horizon in the next decade are a Wew or Significantly Improved City Hall, a new Fire Station up North and a New Animal Control Eacility. It is likely the three of these round go to a vote of the people at that time the Sales and Use Bond from 2016 can be called and/or considered for refinancing. It is possible we could go to a vote of the people at that time DECEMBER 2021 BUDGET BOOK

Also Reep in mind that if the \$1,855,000 listed here for General Fund Capital needs are approved in 2021 by Council it, will drop our Days Available of Cash to 167 (determined as of 10/25/QL so does not count any overages or reductions in Sales Tax for refinancing this debt and pull out money and extend the Sales Tax to pay for these large improvements. This is something Council should be considering at this time:
