Re: Modification from Heart of Bryant Code

Colton,

I would like to request a modification to the Heart of Bryant Main Street Mixed Use 1<sup>st</sup> floor height requirement from 12 ft. to 10 ft. for the following two lots:

Lot 1R Block 19 HOB

Lot 11R Block 19 HOB

This would be contingent upon the replat of these lots being approved.

The current HOB 1<sup>st</sup> floor height requirement in Main Street Mixed Use is 12 ft. Whereas the 1<sup>st</sup> floor requirement for Neighborhood Residential and Neighborhood Transitional is 10 ft. The 12 ft requirement is not feasible to do for a residential property and we would like to modify it to 10 ft to match the other HOB zoning. Our intent is to construct residential townhomes like our other recent projects in HOB on Hazel, NE 1<sup>st</sup> & SE 3<sup>rd</sup> Streets.

Thank you,
