ARDOT used Cushman and Wakefield for the appraisal of real property at the Hwy 5 Water Tank. The area consist of 8,204 sq ft and has been reviewed by staff and our engineer for the widening project. The acquisition for ROW does not interference with the water tank or city operations. The appraisal is \$10/sq ft and compensation and of \$7961.00 for the fence that will need to be reconstructed. The total purchase price is \$90,041.00

It is the recommendation of staff that the city accepts this offer and apply the amount to the property where the new South Plain Water Tank site. Total purchase prices is \$150,000 less the \$90,041 leaving a remaining balance of \$59,959. Council has already approved a bond for the total sum \$12.4M for the South Plain Project

Dear Property Owner(s):

An acquisition agent for the Arkansas State Highway Commission has presented to you a Contract to Sell offering to purchase the fee simple title to your property needed for highway purposes. A description of the property needed is attached. The acquisition agent will contact you within 10 business days for your response that should include all issues or concerns you may have regarding the offer. It is anticipated that negotiations should be concluded within 30 calendar days from the date of the initial contact.

The following buildings, structures, and other improvements, including fixtures located upon the lands needed are as follows: cost to cure fencing.

In the event you desire to retain any of the building, structures or other improvements, including fixtures listed above for salvage value of \$0.00, you must do so prior to the date of closing of a Contract to Sell or eminent domain proceedings.

The offer of \$90,041.00 is based on the opinion of a qualified real estate appraiser. The offered amount is based on the market value concept and is broken down as follows: \$82,080.00 as just compensation for the land to be acquired and \$7,961.00 for the cost to cure.

Should you elect to accept this offer, the State will determine if you can convey a merchantable title, and if so, a property deed conveying the land to the Arkansas State Highway Commission will be prepared and you will be paid the amount contained in the written offer.

Page 2

City of Bryant, Arkansas

If you make a final rejection of this offer, and if the Arkansas State Highway Commission elects to do so, a condemnation suit will be filed, and the amount that the Arkansas State Highway Commission has determined to be estimated just compensation for your property will be deposited into the Registry of the Circuit Court of Saline County. You may at this time elect to accept the amount deposited as just compensation for your property. If you elect to do so, the Circuit Court will be asked to enter Judgment in the sum of the estimated just compensation, and this amount will be paid to you thereby disposing of the condemnation suit.

If you do not elect to accept the amount deposited as estimated just compensation, then you may withdraw the amount placed on deposit as estimated just compensation without prejudice to your rights to claim additional compensation. In this event, you will be entitled to a trial by jury by the Circuit Court of Saline County in which your lands are situated to determine just compensation for your lands condemned.

In either event, payment of the estimated just compensation will be made available to you prior to vacating your property.

For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
